Thought of the Week

'No matter what you face in life, set your goals, keep moving forward and achieve them'

Alex Fleckney, Foundation

A message from our Assistant Principal, Mrs Beckett

On Saturday, our Mandarin teachers from took traditional Chinese activities to Palatine Library. Families from the local area enjoyed learning how to make paper dragons and were introduced to Chinese calligraphy and played shuttlecocks. The event was a huge success and we thank our wonderful Mandarin team for giving up their time to organise and run this event.

FS News

We have some egg-citing news! Foundation stage have had a special delivery of eggs. The children are busy predicting what may happen to them and are really observing them in the incubator.

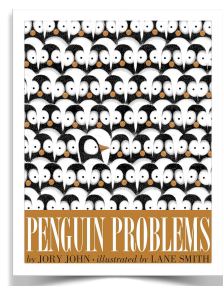

Today, one of the children saw the eggs starting to crack. Mrs Latham could hear tweeting noises.

Children will be hand rearing the chicks throughout the coming weeks to help them grow into fully grown chickens.

We will keep you updated with photographs!

Between the pages

Mrs Cartwright recommends Penguin Problems! The penguin has a wise walrus who helps teach penguin to appreciate the simple things in life.

Did you know

Did you know that being late to school by 5 minutes each day is the equivalent to missing 3 days in school over the academic year.

Children with 80% attendance have missed learning equivalent to 18 days.

I could have danced all night!

We are so proud of Nahla who will be presenting England at the Dance World Cup in Prague in June. Good luck, Nahla - we know you will be amazing!

It's showtime!

Actually, 'Showtown'! Some of the year 2 children visited the new museum in Blackpool and discovered the wonderful theatrical history of our town.

On your marks, get set, GO!
