It's coming home

Well some of our year 3 and 4 pupils had footie success at their tournament this week. It may have only been Stanley Park 4G pitches and not Dortmund or Berlin but it was an exciting match! Our pupils showed team spirit, resilience and in our opinion, smashed it!

A message from our Principal

As the academy year draws to a close, it has been lovely reflecting upon the journey we've shared together. It has been a year filled with many memorable experiences and opportunities for the children covering a range of events such as trips and visitors into school, sports events and performances. We have utilised our local and cultural partners to provide the children with valuable learning beyond the classroom.

As we say goodbye to our year 6 pupils, we will celebrate their achievements and the unique contributions they have made to our school community. They have grown into capable and confident young individuals, ready to take on new challenges in the next stage of their educational journey.

With the end of this academic year nearly here, we are also looking ahead to the exciting changes and new beginnings that await us all. Thank you for attending 'Meet the Teacher' and all your support throughout the year. Our partnership working together is instrumental in the success of our pupils.

Pupil leadership news

This year Pupil Leadership have emanated our *academy values* and strived really hard to be positive ambassadors of our academy.

*R*eflection, *R*esponsibility, *R*elationships, *R*espect and *R*esilience

They have been involved in many activities during this academic year, such as supporting and gaining feedback from our families at parent/guardian consultations, welcoming new families to our academy, representing in sports events and not forgetting helping out in departments within the academy, such as errands for the office and supporting welfare over lunch.

The Leadership have been beacons of positivity and have certainly flourished in their roles and taken their responsibilities seriously and with dedication.

Overall, the year 6 children have grown in maturity and it is amazing to see what difference a year can make. They are all ready to start the next stage in their education adventure.

Our hope is that they stay true to the values they have upheld throughout their primary school life, enabling them to be good citizens of our community and beyond.

Celebrating success

Elsie in year 3 has taken part in her own football tournament. It certainly beats the Euro's!

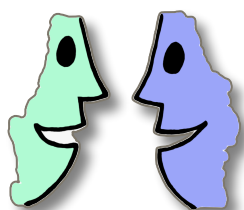

.....plus more success

Sophie in Year 4 has been presented with her certificate graded 'Honours' in Bronze Gymnastics.

Next stop Olympics!

Communication

Next academic year we encourage you to download the Schudio app as that is the main way we will notify parents/carers about events. **No more texts!** You will also be able to visit the website calendar to see what events are coming up.

Farewell Year 6

Year 6 have mixed emotions about leaving the academy.

There will be a few tears shed at the leavers' assemblies next Monday, Tuesday and Wednesday and a realisation '*this is it*' when they do their walk of honour on the last day.

The children have *grown* during their time at the academy and each and everyone of them have displayed our Hawes Side values and at the end *we are all very proud.*

It is time for them to fly!

They have mature into young adults and good citizens and we can't wait to see what they *achieve.*

Curtain up!

Some year 4 and 5 pupils visited the Grand Theatre, taking part in workshops with an historical theme. The pupils then retold their stories by reading and acting out their pieces. They were thrilled to have the opportunity to perform on the Grand Theatre stage.

Cashless week!

The last week of the academic year, week beginning 15 July, the academy will not be accepting cash payments.
