28TH JUNE 1838

CORONATION OF QUEEN VICTORIA WHO WAS 19 YEARS OLD. THE CEREMONY AT WESTMINSTER ABBEY LASTED 5 HOURS.

Thought of the Week

'You must not let anyone define your limits because of where you come from'

Ashley Dawson, Year 5 teacher

A message from our Vice Principal

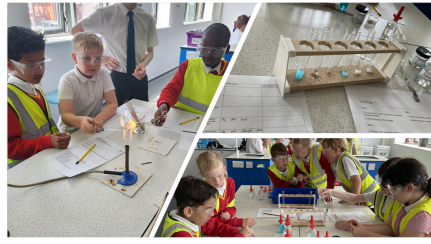

We were blessed with glorious weather for our Foundation Stage sports day earlier this week. The children thoroughly enjoyed themselves. Thank you to staff for organising such a successful event. It was wonderful to see so many of our parents, carers and families supporting and cheering the children on.

Some of our pupils visited UCLAN this week and enjoyed working with future technology. They modelled our values and we received positive feedback about how they conducted themselves.

We value our relationships with our parents and carers and welcome feedback. Our class teachers work hard to communicate with their pupils' parents and carers and we invite you to also communicate directly with them if there any matters you wish to discuss.

Have a lovely weekend and we hope the great weather returns!

Year 5 news

The children in year 5 have been working hard to prepare themselves for the transition up to year 6. Can you believe it will be their last year at primary school?

Earlier in the week Year 5 visited Armfield Academy to take part in some fun science experiments. The pupils investigated physical and chemical changes with solids, liquids and gases.

It was fantastic for the children to experience a practical science lesson in a laboratory setting, delivered by specialist teachers.

On a creative note, 5H have been practising their musical theatre skills ready to perform to their families on the 9th July at 3pm.

On the 21st June, the Smoothie Bike visited the academy and our Year 5 pupils had to pedal hard to produce delicious smoothies. The children commented that it was a brilliant experience however they would prefer to get a smoothie a slightly easier way!

Finally, Year 5 been successfully developing their swim safety skills during their swimming lessons. This will help them during the summer holidays to stay safe around water.

[Click here](#) for more information about water safety and to access to some useful resources.
