Thought of the Week

‘The beautiful thing about learning is that nobody can take it away from you. Cherish all the things you can learn’

Mrs Randles favourite quote

A message from our Principal

Can you believe we have already been back to school for a month! As the nights draw darker it is getting colder and it is important that all the children bring a warm coat into school.

We have some important updates and events coming up such as parents’ evening and the Switch On, so please take a moment to review the information so you don’t miss out on anything.

As always, we appreciate your continued support and look forward to the exciting weeks ahead.

Have a lovely weekend, and we will see you all on Monday.

Class 2H and Class 6S had the **least amount** of latecomers last week. They are now looking after the academy’s Punctuality Bears.

Who will be on time next week?

Year 3 News

Year 3 have been working hard in Design Technology to make pencil holders. We have been very impressed with the finished product.

During Science we have been looking at our human bodies and how our skeletons help us in not just as a supporting structure, our bodies scaffolding, but also in our movement.

Year 3 have been very musical and music has been streaming from the year 3 corridor. We have been singing Mr Sandman.....will he be bringing you a dream!

Parent Carer Consultations

Tuesday 15th and Wednesday 16th October

Bookings are now open and you can book your appointments using the Arbor app system. Don't worry, if you are struggling you can contact the academy office who will try and help you book.

Foundation families book directly with class teacher.

Bookings close Friday 11th October at 10:30am

Secondary applications

The deadline to apply for secondary places is **31st October 2024**. Don't be late or you risk not getting your preferred choices.

Switch on

The BIG Switch On is back and we are looking for a family to 'flick the switch' and turn on our very own Hawes Side illumination.

If you are interested in pushing the button watch out for the message on the Schudio app to put your name forward.

Medicine in School

You may not all be aware, but we can only give medicine to children who have had medication prescribed to them by a medical professional for doses of 4 times a day. Where a child needs three doses a day, these must be given at home. Where medication is needed to be taken in school, we welcome you to come into the academy to administer this to your child.

Family Learning

Calling Year 1 families come and join us for some family learning fun on a free course run by Blackpool Learning

Keep water beads away from young children

Children love water beads. But it's really dangerous if a young child swallows them.

They expand in the belly and can block the bowel. Some grow as big as golf balls.

A child may need major surgery to remove them. So please keep them away from young children.

If you suspect a child has swallowed a water bead, get medical help straight away.

The Blackpool Holiday Activity and Food programme (HAF) is funded by the government and provides a free healthy meal and 4 hours of activities for children who receive free school meals. BFCCT are the biggest local provider of HAF activities, offering 3 different strands covering Primary, Secondary and Disability across multiple sites and offer a wide range of activities, health and nutrition information each day to over 400 children and young people. The HAF Camps are a great way for children to have fun, make new friends and stick to a routine during the school holidays.

HAF (aged 5 – 11): 21st Oct – 24th Oct

Our October HAF provision for Primary school aged children will be delivered across 6 sites, allowing children to access free sport and activity sessions as well as a free healthy meal.
