Newsletter No. 05

1st October 2021

Dear Parents and Carers

I really cannot believe how fast this term is going!

I am pleased to welcome back into school Blackpool Council's Adult, Community and Family Learning team. They will be holding a 'Show and Tell workshop' for our Year 1 families on Tuesday 5th October from 9:15am-11:15am and our Year 2 families on Tuesday 12th October from 9:15am-11:15am. To book your place please log on to <https://bit.ly/FLShowTell> and complete the form. For more information please see 'flyers' further down this newsletter.

We also have the Blackpool Teaching Hospitals School Age Vaccination Team coming into school next month, please see letter below. This message also went out on our school app earlier this week. As in previous years you must **opt-in** to the programme. If you decide you do not want to vaccinate your child against flu, please complete the consent form giving the reason. This will help them plan and improve their service.

Although the weather doesn't look too good this weekend, I hope you have a lovely, restful weekend and we'll see you all bright and breezy on Monday 4th October.

Thank you for your continued support.

Dear Parent/Guardian

YOUR CHILD'S ANNUAL FLU VACCINATION (NASAL SPRAY)

Blackpool Teaching Hospitals is delivering the school-age immunisation programme on behalf of NHS England. This vaccination programme is in place to help protect your child against the flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu. The vaccination is free and recommended for children and will be given by a quick and simple spray up the nose. The team will book the date for the session with school and they should inform you when that is.

Please inform the School Vaccination Team (Not School) of the following:

- If your child has steroid tablets prescribed two weeks prior to vaccination.
- If in the few days prior to vaccination your child has been wheezy.
- If consent is received and you take your child to your GP surgery to receive the vaccination. It is your responsibility to contact the school vaccination team to ensure they do not receive the immunisation again.

New Electronic Process

Blackpool Teaching Hospitals have enhanced the consent process by transforming a previously paper process into a streamlined electronic form accessible anywhere. Previously receiving consent for a child's vaccine was reliant on school staff handing the paper forms out and getting them home to their parents/guardians, increasing the potential for the form being lost. Now the child's school will email or text the link to the consent form (also unique school code) to the parents/guardians so that they can easily and quickly complete the consent form via mobile device, tablet or computer. This will save parent/carers time and free up school staff time. Once your child has been vaccinated you will also be notified by text ensuring that you are up to date with the child's vaccinations.

Filling out the Consent Form:

You will be required to provide your Child's NHS number. Please click the following link if you do not know your child's NHS number: [Link](#)

1. Please click the following link to access the online consent form: [Link](#)
2. Please quote the unique school code. The code for your school is **BP138538**

Please can we ask that you submit the form within 7 days from receipt of this email to enable the forms to be triaged.

If you experience any problems accessing the form, please telephone your local vaccination team **on the number below** and the team will be happy to help.

Further information on the vaccination programme can be found on NHS Choices at: [Link](#)

As in previous years you must opt-in to the programme. If you decide you do not want to vaccinate your child against flu, please complete the consent form giving the reason. This will help us plan and improve the service.

We are trying to improve how we communicate with patients. Please tell us if you need information in a different format or communication support.

Yours faithfully

Blackpool Council and Tramshed Theatre Company - have a fabulous opportunity for 40 children and young people with SEND this Half Term. On Saturday 23rd October 2 workshops will take place at Woodlands School, a morning session for 5-10-year-olds, and an afternoon session for 11-18-year-olds. If you have children and young people with SEND who have a desire to perform, this a perfect opportunity to sample the offer from Blackpool's award-winning inclusive theatre company.

Each session lasts 3 hours, and the focus will be on mental health and wellbeing in the wake of Covid, with a game-based consultation about provision for CYP with SEND. Places are free and booked through Eventbrite.

Please see 'flyer' further down this newsletter.

Casdon Toys - Thank you so much to Casdon toys, who have kindly donated many of their toys to our school's Foundation Stage children to celebrate their 75th anniversary. Casdon is a local toy manufacturer, who having been providing both Blackpool children and children internationally with toys for the past 75 years. These resources have been given to us as part of Casdon Toys' 'Helping out in the Home Corner' initiative. These resources promote social interaction, independence and dramatic play skills, which many of our children thrive off and will continue to do so with all of these new toys to interact with.

Thank you so much Casdon!

Blackpool FC Community Trust - are working alongside Active Blackpool to deliver a Blackpool wide **FREE 12-week weight management programme**, which combines theory and physical activity to achieve desired goals.

Our next FIT Programme starts again in September, and therefore we are looking to recruit for the final few places. As well as the Fit Blackpool programme based at the football stadium on Monday and Thursday evenings, **we are excited to announce that we are able to offer FIT Blackpool in the community, too.** The community sessions could run daytime or evening dependant on need of the participants.

The community FIT Blackpool could work in several ways. The first way is that if there is enough interest from one postcode e.g., FY4, then we would host a session in FY4. The second way is that we can offer bespoke service to schools, businesses and other organisations that will be purely for their staff and parents (if school permit). At the moment, there is no fixed way in how we do this so we are flexible.

If you are interested to learn more about this programme, either as an individual or on behalf of a possible group, please contact fitfans@bfct.co.uk.
