Newsletter No. 06

8th October 2021

Dear Parents and Carers

We have had another busy week in the academy and it has been lovely to see so many of you coming in for various events and meetings. I am so pleased to share that we are opening up our Community Café doors again; this is a chance for you to pop in and see us and each other for a coffee and chat when you have dropped your child off. We like to use this time not only to catch up but to hear your thoughts about how we can support you and your child. In the past we have had visits from people such as the school nurse and Blackpool Football Community Trust. Mrs Harris is leading on this and I know she will be happy to see many of you in the Acorn Room (accessed from the playground next to Foundation Stage) on Thursday 14th October, 9:00am-10:00am.

I would also like to remind our Y3 families that we are holding a Pirate Adventure Workshop on Tuesday 19th October, 9:00am-11:00am. This is a lovely opportunity to learn alongside your child. **To book your place please log on to <https://bit.ly/FLPirateDan> and complete the form.** For further information please refer to flyer further down in this Newsletter.

It is great to be able to start all these activities with you again and please utilise the Community Café to let us know more about how we can help and support.

On that note I would like to wish you all a wonderful weekend and I will see you next week.

Mrs Boothroyd

YOUR CHILD'S ANNUAL FLU VACCINATION (NASAL SPRAY) - The Blackpool Teaching Hospitals School Age Vaccination Team are coming into school next month, please see letter below. This message also went out on our school app last week. As in previous years you must **opt-in** to the programme. If you decide you do not want to vaccinate your child against flu, please complete the consent form giving the reason. This will help them plan and improve their service.

Vaccination and Immunisation Team

Dear Parent/Guardian

YOUR CHILD'S ANNUAL FLU VACCINATION (NASAL SPRAY)

Blackpool Teaching Hospitals is delivering the school-age immunisation programme on behalf of NHS England. This vaccination programme is in place to help protect your child against the flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu. The vaccination is free and recommended for children and will be given by a quick and simple spray up the nose. The team will book the date for the session with school and they should inform you when that is.

Please inform the School Vaccination Team (Not School) of the following:

- If your child has steroid tablets prescribed two weeks prior to vaccination.
- If in the few days prior to vaccination your child has been wheezy.
- If consent is received and you take your child to your GP surgery to receive the vaccination. It is your responsibility to contact the school vaccination team to ensure they do not receive the immunisation again.

New Electronic Process

Blackpool Teaching Hospitals have enhanced the consent process by transforming a previously paper process into a streamlined electronic form accessible anywhere. Previously receiving consent for a child's vaccine was reliant on school staff handing the paper forms out and getting them home to their parents/guardians, increasing the potential for the form being lost. Now the child's school will email or text the link to the consent form (also unique school code) to the parents/guardians so that they can easily and quickly complete the consent form via mobile device, tablet or computer. This will save parent/carers time and free up school staff time. Once your child has been vaccinated you will also be notified by text ensuring that you are up to date with the child's vaccinations.

Filling out the Consent Form:

You will be required to provide your Child's NHS number. Please click the following link if you do not know your child's NHS number: [Link](#)

1. Please click the following link to access the online consent form: [Link](#)
2. Please quote the unique school code. The code for your school is **BP138538**

Please can we ask that you submit the form within 7 days from receipt of this email to enable the forms to be triaged.

If you experience any problems accessing the form, please telephone your local vaccination team **on the number below** and the team will be happy to help.

Casdon Toys - Thank you so much to Casdon toys, who have kindly donated many of their toys to our school's Foundation Stage children to celebrate their 75th anniversary. Casdon is a local toy manufacturer, who having been providing both Blackpool children and children internationally with toys for the past 75 years. These resources have been given to us as part of Casdon Toys' 'Helping out in the Home Corner' initiative.
