Newsletter No. 13

9th December 2022

Dear Parents and Carers

Over the past term the children and staff have been focusing upon our academy values; working together to understand what they mean and how they help us to behave in different situations. Hawes Side's vision is for all our children to grow into well-balanced global citizens and our values guide us to do this, bringing our vision to life. After working together these principles will guide us to be the best people we can be:

Relationships – We need to take the time to get to know each others' interests and personalities to build our community.

Respect – We need to accept each others' differences and feel valued and listened to.

Resilience – This means using our internal resources and those around us to deal with new or challenging situations.

Responsibility – We need to take responsibility for our actions; we need to recognise the things we can control and make positive changes to.

Reflection – We need to consider how we cope with certain situations and interact with the people we meet.

Our Hawes Side community is so important and having a shared vision and by understanding our values enables us to have a sense of belonging and work together for the best of our children.

I would like to wish you all an enjoyable and restful weekend.
