Newsletter No. 16

7th January 2022

Dear Parents and Carers

Happy new year! We hope you all had a restful break and were able to see and spend time with family and friends. The children have already settled so well into school and are enjoying being back.

We welcome two new members of staff this term, Mrs Julie Barr as Vice Principal and Mrs Ruth Glynn as one of our Assistant Principals. I know they have been on the playground each day this week and already said hello to many of you. They want to get to know you all so please do look out for them and say hello, I know they would appreciate this.

Just a reminder for parents and carers who have children due to start school in September 2022 - the closing date for Primary School admissions is Saturday 15th January 2022. There is more information about this further down this newsletter.

Community is very important to us so when one of our fellow schools Anchorsholme, asked for the support of local schools we were more than happy to help. They have shared a Gazette article about one of their pupils, Isabelle, who is suffering from a rare life-threatening form of cancer. The following link contains details about her and the struggles she is facing <https://www.blackpoolgazette.co.uk/news/people/six-year-old-thornton-cleveleys-girl-initially-suspected-of-having-chest-infection-now-needs-life-saving-operation-following-cancer-diagnosis-3514594>. To help, Anchorsholme have asked that all local schools hold a non-uniform day on Friday 11th February and that staff and children wear blue and/or yellow, the Neuroblastoma charity colours. As we hold a non-uniform day at the end of each half term anyway, it seemed fitting to support raising funds to help Isabelle get the lifesaving treatment she needs. Please see the letter from Anchorsholme below which gives further information.

Have a wonderful weekend everyone and we look forward to seeing you on Monday.

Mrs Boothroyd

Dear Parents/Guardians,

As you may have seen recently a fundraiser has been set up to help a little girl Isabelle Grundy, age 6, a pupil at Anchorsholme Academy who is suffering from stage 4 Neuroblastoma. In order to support this local family from Cleveleys, we are inviting all schools in FY postcodes to take part in a non uniform day on **FRIDAY 11TH FEBRUARY 2022** where we ask that all students and staff wear the colours blue and/or yellow as these are the Neuroblastoma charity colours. We are hoping for a suggested £1 donation (to be taken into school on the day) per child and staff member in order to help raise vital funds to get Isabelle and her parents to the US for life saving treatment. Could any funds collected by school be paid directly into the following account.

Name The Sea View Trust T/A Anchorsholme Academy
Sort Code 30-90-90
Account No 23956968

Since diagnosis Isabelle has undergone a lot of intensive treatment, ranging from High dose chemotherapy, numerous cannulas, MIBG Scans, CT Scans, ultrasound Scans, several blood and platelet transfusions, High Risk Surgery- only a small section of Isabelle's Tumour was safely removed, Stem Cell Harvest & Transplant.

In the New Year once Isabelle has recovered from her Stem Cell Transplant, she will move on to her next stage of treatment, Radiotherapy at Christies. Once Isabelle has completed her treatment here in the UK there is still a 60% chance Isabelle could relapse, if this happens Isabelle's chance of survival drops to only 5%.

Although Isabelle's treatment is going to plan at the moment, things can change unexpectedly and we need to be prepared for this. Please help us raise funds in order for Isabelle and her parents to travel to America for treatment which is not currently available in the UK, this will allow Isabelle to receive possible life saving treatment.

"Never in a million years did we ever think our family would be in this situation, our world has been completely turned upside down. Thankyou to everyone who has shown support, love and kindness towards Isabelle & our family, we are eternally grateful for each and every one of you. All donations great or small mean the world to us".

(Louisa Moss and Blaine Grundy, Isabelle's parents)

If you would like to learn more about Isabelle's story you can follow it here- @neuroblastoma_and_isabelle
 Many thanks for your time and support for this local family.

Kind regards,

Emma Robinson (year 1 parent) and all of the Anchorsholme family
