Dear Parents and Carers

We have had another great week in the academy. The children are focused upon our values throughout the whole school day and I have seen wonderful examples of positive relationships, respect for each other and our environment, resilience, reflection and responsibility, our key value at the moment.

It is great that extra-curricular activities are taking place again and, on this note, I would like to say congratulations to Erin, Abigail, Jacob, Teigan, Indiana, Poppy, Harrison and Andrew on achieving their Taekwondo gradings. I look forward to many more celebrations of achievement with the children for activities done both in and out of school. I encourage you to share with your child's class teacher any achievements or successes that we may not know about; achievements out of school are just as important and we would like to celebrate them with you.

Have a lovely weekend,

Mrs Boothroyd

Dear Parents/Guardians,

As you may have seen recently a fundraiser has been set up to help a little girl Isabelle Grundy, age 6, a pupil at Anchorsholme Academy who is suffering from stage 4 Neuroblastoma. In order to support this local family from Cleveleys, we are inviting all schools in FY postcodes to take part in a non uniform day on **FRIDAY 11TH FEBRUARY 2022** where we ask that all students and staff wear the colours blue and/or yellow as these are the Neuroblastoma charity colours. We are hoping for a suggested £1 donation (to be taken into school on the day) per child and staff member in order to help raise vital funds to get Isabelle and her parents to the US for life saving treatment. Could any funds collected by school be paid directly into the following account.

**Name** The Sea View Trust T/A Anchorsholme Academy  
**Sort Code** 30-90-90  
**Account No** 23956968

Since diagnosis Isabelle has undergone a lot of intensive treatment, ranging from High dose chemotherapy, numerous cannulas, MIBG Scans, CT Scans, ultrasound Scans, several blood and platelet transfusions, High Risk Surgery- only a small section of Isabelle's Tumour was safely removed, Stem Cell Harvest & Transplant.

In the New Year once Isabelle has recovered from her Stem Cell Transplant, she will move on to her next stage of treatment, Radiotherapy at Christies. Once Isabelle has completed her treatment here in the UK there is still a 60% chance Isabelle could relapse, if this happens Isabelle's chance of survival drops to only 5%.

Although Isabelle's treatment is going to plan at the moment, things can change unexpectedly and we need to be prepared for this. Please help us raise funds in order for Isabelle and her parents to travel to America for treatment which is not currently available in the UK, this will allow Isabelle to receive possible life saving treatment.

"Never in a million years did we ever think our family would be in this situation, our world has been completely turned upside down. Thankyou to everyone who has shown support, love and kindness towards Isabelle & our family, we are eternally grateful for each and every one of you. All donations great or small mean the world to us".

(Louisa Moss and Blaine Grundy, Isabelle's parents)

If you would like to learn more about Isabelle's story you can follow it here- @neuroblastoma\_and\_isabelle  
Many thanks for your time and support for this local family.

Kind regards,

Emma Robinson (year 1 parent) and all of the Anchorsholme family
