Newsletter No. 19

28th January 2022

Dear Parents and Carers

This week we have focused upon the key values of relationships, respect and responsibility, particularly when moving around school and during our lunchtime. We have considered how our actions can impact upon others and discussed how we should treat others as we wish to be treated ourselves. With this in mind, we are reviewing our behaviour policy with the children and staff and will also consult with yourselves over the coming weeks for your views too.

Please note that from the Monday 31st January, the school gates will open each morning at **8.45am** as staff are unable to supervise the playground before this time. We do offer a payable and bookable breakfast club for any parents/carers that feel this will be of benefit to them. Please contact the school office for further information. Those who already use breakfast club should enter school via the Lennox Gate entrance and report to staff in the large hall as normal.

Have a lovely weekend and we look forward to seeing you all on Monday.

Mrs Boothroyd

Schools' Alive – Thank you to everyone who sponsored pupils and staff involved in Schools' Alive – the grand total raised was £288.25. We are excited for the children's performance at The Grand Theatre which takes place very soon!

Make your child's packed lunch a healthy one! - Many of our children bring a packed lunch into school each day. Did you know that to keep the lunch as healthy as possible it is recommended to include items from the 5 main food groups? Please follow this link for further information:

<https://www.hawes-side.co.uk/news/2022-01-28-make-your-child-s-packed-lunch-a-healthy-one>

Did you also know that we are a nut-free school?

This means that we do not use any nut-based products in the foods we serve to safeguard children who may have allergies. Please support us by not sending nuts or nut-based products in your child's packed lunch. We also ask that you do not send fizzy pop/Fruit Shoots, sweets, chocolate bars or foods and drinks that are high in fat and / or sugar.

Telephone drop in service

Due to the Covid-19 pandemic, our drop-in clinics are currently replaced by a telephone advice service. Families can contact us to request advice and will be offered a 15 minute telephone appointment to discuss their concerns and decide whether any further support is needed. Please continue to use the guidelines below to help you determine whether this service or a referral would be best for the child.

Telephone drop-in	Refer a child to speech and language therapy
Mild Speech Clarity concerns (Speech sounds)	Significant concerns with clarity of speech
Mild - moderate Language Delay	Significant concerns with use and understanding of language
Stammering – children up to age 7 (consider parent only)	Social skills / Interaction
Quality of voice	Stammering – 8 years +
Attention and listening	Attention and listening and Auditory Processing

More information can be found at:

www.bfwh.nhs.uk/childrens (select speech and language from the 'our service' menu).

Parents/carers can request a telephone appointment by contacting us on 01253 951101

Dear Parents/Guardians,

As you may have seen recently a fundraiser has been set up to help a little girl Isabelle Grundy, age 6, a pupil at Anchorsholme Academy who is suffering from stage 4 Neuroblastoma. In order to support this local family from Cleveleys, we are inviting all schools in FY postcodes to take part in a non uniform day on **FRIDAY 11TH FEBRUARY 2022** where we ask that all students and staff wear the colours blue and/or yellow as these are the Neuroblastoma charity colours. We are hoping for a suggested £1 donation (to be taken into school on the day) per child and staff member in order to help raise vital funds to get Isabelle and her parents to the US for life saving treatment. Could any funds collected by school be paid directly into the following account.

Name The Sea View Trust T/A Anchorsholme Academy
Sort Code 30-90-90
Account No 23956968

Since diagnosis Isabelle has undergone a lot of intensive treatment, ranging from High dose chemotherapy, numerous cannulas, MIBG Scans, CT Scans, ultrasound Scans, several blood and platelet transfusions, High Risk Surgery- only a small section of Isabelle's Tumour was safely removed, Stem Cell Harvest & Transplant.

In the New Year once Isabelle has recovered from her Stem Cell Transplant, she will move on to her next stage of treatment, Radiotherapy at Christies. Once Isabelle has completed her treatment here in the UK there is still a 60% chance Isabelle could relapse, if this happens Isabelle's chance of survival drops to only 5%.

Although Isabelle's treatment is going to plan at the moment, things can change unexpectedly and we need to be prepared for this. Please help us raise funds in order for Isabelle and her parents to travel to America for treatment which is not currently available in the UK, this will allow Isabelle to receive possible life saving treatment.

"Never in a million years did we ever think our family would be in this situation, our world has been completely turned upside down. Thankyou to everyone who has shown support, love and kindness towards Isabelle & our family, we are eternally grateful for each and every one of you. All donations great or small mean the world to us".

(Louisa Moss and Blaine Grundy, Isabelle's parents)

If you would like to learn more about Isabelle's story you can follow it here- @neuroblastoma_and_isabelle
Many thanks for your time and support for this local family.

Kind regards,

Emma Robinson (year 1 parent) and all of the Anchorsholme family
