Newsletter No. 20

4th February 2022

Dear Parents and Carers

As you are aware, this week we have been visited by OFSTED and I would like to thank you for your messages of support. The inspectors have also asked me to pass on their thanks to you, your children and staff for being welcomed into our community. At this moment in time I am not in a position to disclose the results of their findings but will do so as soon as I can.

As some of you may be aware, we had to postpone certain events such as our library trip for Year 3, this was due to staff absences and the inspection as the team wanted to see as much learning in the academy as possible. We will reschedule these trips as soon as we can as we see them as an important part of our children's learning and development. I know some of you were disappointed that this happened but thank you for your understanding.

We have an exciting event next week as some of our KS2 children will be taking part in 'Schools Alive' performing songs along with other local schools at the Grand Theatre. I will let you know how they get on in next week's newsletter. The children will be performing to the rest of the school in the assemblies after half term.

Just a reminder that we break up for half term on Friday 11th February. It is a non-uniform day with a £1 donation which will be gratefully received and go to the Neuroblastoma charity. In order to support the charity, we ask that children and staff wear the charity's colours of blue and/or yellow.

Many thanks for all your support as always.

Mrs Boothroyd and the Hawes Side Team

Relationships Respect Resilience Reflection Responsibility

Message for class 2A and 5H – Congratulations to the children in class 2A and 5H, they have won a non-uniform day for receiving the highest number of value tokens in the autumn term. Their non-uniform day will be Friday 25th February. Please remember that the children still need to wear warm clothes and sensible footwear. Well done children.

Parent Volunteers – If you have a few hours to spare and would like to come and help out in school, for example listening to children read, then please contact the school office for further details.

Taekwondo – The following children competed in a National Governing Body North West Taekwondo Championship last weekend and they had some amazing success!

10 Primary Schools entered in the area and both Hawes Side Students who entered won Gold!

Congratulations to: Indiana and Abigail.

We hope they will qualify to compete at the next International world championship in March.

If you would like to learn taekwondo we have limited availability in our Wednesday after school class please give GM Lee a call for more information or to book your place. Contact details – 07779275207 or <http://www.northerntaekwondo.co.uk>

Telephone drop in service

Due to the Covid-19 pandemic, our drop-in clinics are currently replaced by a telephone advice service. Families can contact us to request advice and will be offered a 15 minute telephone appointment to discuss their concerns and decide whether any further support is needed. Please continue to use the guidelines below to help you determine whether this service or a referral would be best for the child.

Telephone drop-in	Refer a child to speech and language therapy
Mild Speech Clarity concerns (Speech sounds)	Significant concerns with clarity of speech
Mild - moderate Language Delay	Significant concerns with use and understanding of language
Stammering – children up to age 7 (consider parent only)	Social skills / Interaction
Quality of voice	Stammering – 8 years +
Attention and listening	Attention and listening and Auditory Processing

More information can be found at:

www.bfwh.nhs.uk/childrens (select speech and language from the 'our service' menu).

Parents/carers can request a telephone appointment by contacting us on 01253 951101

Dear Parents/Guardians,

As you may have seen recently a fundraiser has been set up to help a little girl Isabelle Grundy, age 6, a pupil at Anchorsholme Academy who is suffering from stage 4 Neuroblastoma. In order to support this local family from Cleveleys, we are inviting all schools in FY postcodes to take part in a non uniform day on **FRIDAY 11TH FEBRUARY 2022** where we ask that all students and staff wear the colours blue and/or yellow as these are the Neuroblastoma charity colours. We are hoping for a suggested £1 donation (to be taken into school on the day) per child and staff member in order to help raise vital funds to get Isabelle and her parents to the US for life saving treatment. Could any funds collected by school be paid directly into the following account.

Name The Sea View Trust T/A Anchorsholme Academy
Sort Code 30-90-90
Account No 23956968

Since diagnosis Isabelle has undergone a lot of intensive treatment, ranging from High dose chemotherapy, numerous cannulas, MIBG Scans, CT Scans, ultrasound Scans, several blood and platelet transfusions, High Risk Surgery- only a small section of Isabelle's Tumour was safely removed, Stem Cell Harvest & Transplant.

In the New Year once Isabelle has recovered from her Stem Cell Transplant, she will move on to her next stage of treatment, Radiotherapy at Christies. Once Isabelle has completed her treatment here in the UK there is still a 60% chance Isabelle could relapse, if this happens Isabelle's chance of survival drops to only 5%.

Although Isabelle's treatment is going to plan at the moment, things can change unexpectedly and we need to be prepared for this. Please help us raise funds in order for Isabelle and her parents to travel to America for treatment which is not currently available in the UK, this will allow Isabelle to receive possible life saving treatment.

"Never in a million years did we ever think our family would be in this situation, our world has been completely turned upside down. Thankyou to everyone who has shown support, love and kindness towards Isabelle & our family, we are eternally grateful for each and every one of you. All donations great or small mean the world to us".

(Louisa Moss and Blaine Grundy, Isabelle's parents)

If you would like to learn more about Isabelle's story you can follow it here- @neuroblastoma_and_isabelle
Many thanks for your time and support for this local family.

Kind regards,

Emma Robinson (year 1 parent) and all of the Anchorsholme family
