

Dear Parents and Carers

What an eventful week it has been in the academy this week. To start with, we would like to share information about the Young Seaside competition which was open to all local schools. Hawes Side's two winners, Leni and Angela, enjoyed a trip to Blackpool and the Fylde College to see their artwork hung in the gallery. I know you will join me in congratulating them for such an achievement. They had a wonderful experience looking at artwork from other schools, including some inspiring work from local artists.

Yesterday we celebrated World Book Day together. We would like to thank you for all your support with dressing the children for the occasion; they looked fabulous! It was so lovely to walk around the academy listening to the children talking about books, sharing their favourite stories and authors along with talking about the characters they were dressed as. Lots of activities took place throughout the day, a highlight was watching the older children reading books with the younger ones. The excitement has continued into today as the children have visited the book fair.

As part of our music curriculum, Year 4 children are having the opportunity to play music and perform at Upbeat Rock Academy in Poulton. Miss Heald and Miss Lee, our music leaders, had the pleasure of attending Upbeat today with the children from 4H. They were excited about what they saw as every child had the opportunity to play an instrument of their preference such as the bass guitar, electric guitar, keyboard, drums, or sing as a soloist. The children then formed a band to play a rendition of 'Don't Stop Believing'. It was a delight for them to see all the children engaged and they played their instruments so naturally. If you are interested in finding

out more about what Upbeat do, please visit the website below or contact Upbeat for further information on vocal, instrumental and music production lessons outside of school hours.

All that remains is to wish you all a lovely weekend and we will see you on Monday.
