Newsletter No. 24

24th March 2023

Dear Parents and Carers

It was lovely seeing so many of you in the academy this week for parent/carer consultation meetings. If you did not manage to get an appointment, please do call the academy office so that they can arrange this for you with your child's class teacher.

We have had another exciting week this week starting on Monday when our wonderful choir performed at the Tower Ballroom as part of the 'Choir of the Year' competition. It was such a wonderful opportunity for the children and they thoroughly enjoyed singing to an audience of about a thousand people. Thank you to the children who performed, the staff who made this happen and the parents/carers who supported us with this. The children also performed to staff and children in some of our assemblies this week.

As part of their learning and on the theme of performance, our Year 4 children visited the Old Electric Theatre, Blackpool's newest community arts space. Its purpose is to ensure that arts and creativity is accessible for all Blackpool communities; further developing the importance of our cultural links in Blackpool. We will certainly be embarking on more visits with the hope that we can perform there in the future.

All that is left is to wish you a great weekend and we look forward to seeing you on Monday for our final week of the term leading up to the Easter break.

Punch & Judy

As part of our history topic this half term, Year 1 have been learning about seaside holidays in the past and specifically entertainment. On Tuesday afternoon we had a visitor who entertained us with our very own Punch and Judy performance.

Foundation Stage – Visit to the Wild Discovery Zoo

On Monday and Tuesday, Foundation Stage children visited the Wild Discovery Zoo at Ribby Hall. The children had the opportunity to learn about mammals, investigate different habitats, animal artefacts and investigate animals and their offspring. The zookeepers were very kind. They gave our children a private bird show too! The children were amazed at the size of a vulture's wings and watching an owl's neck rotate all the way around! Look at all the fun they had!

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around your hips, 20cm (8") below your natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.

IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

Washing symbols and their meaning

Always check the label!!
