Dear Parents and Carers

Firstly I would like to say a huge thank you to one of our RH parents, Mrs Wood, who has very kindly donated a book and bookmark to all of our Foundation Stage children through the National Literacy Trust. It is such a lovely gesture and means a lot to us as we cannot stress how much we value reading; once a child learns how to read it can bring so much enjoyment and opportunity to their lives. Evidence shows that children who read for enjoyment every day develop a broader vocabulary, increased general knowledge and a better understanding of others as well as helping their well-being and performance at school.

Mrs Wood has shared that the National Literacy Trust has been working closely with Blackpool primary schools through their new initiative, 'Get Blackpool Reading'. Premier Inn are also part of the initiative and Mrs Wood has kindly donated the books and bookmarks to us on their behalf.

The Foundation Stage staff and children were very excited and said that the book encourages the children to dream big and be creative, whilst helping them on their reading journey. The children enjoyed reading their book and talking about what they read.

Ava said, *"This book is really interesting all about the stars and the moon. I love reading books. Thank you!"*

Alannis said, *"The illustrations are my favourite because they're colourful and look really good"*

Below are pictures of the children with their new books. Thank you Mrs Wood 😊.

My second thank you goes to Mrs Williams who provided the Foundation Stage children with a new book for each of their classrooms. Mrs Williams, a parent in RH also, kindly gave these books to us after reviewing it for British author, Emma Sandford. Emma has kindly offered to come in to school and work with our children in the future too. We are looking forward to arranging this in the new academic year!

The story is called, 'The Problem with Poppy' and encourages children to think about their actions and choices they make. Along with beautiful illustrations, the children really enjoyed hearing about Poppy the porcupine and all the problems she encountered including a very dangerous situation...you will have to wait and read

the book to find out more! The children love reading it and have even created their own endings to the story too.

That's definitely a thumbs up from the children – thank you Mrs Williams! 😊

Happy reading everyone!

Mrs Boothroyd

## HOW TO MEASURE YOUR CHILD

With the growing popularity of online ordering, this often results in the need to measure to ensure we get the right fit. At Brigade, we strongly recommend you measure your child before placing your order to avoid the cost of returns and re-ordering.

To measure you need a soft measuring tape (or a piece of string and a regular tape). Measure as shown in the diagram right

(keep in mind that when you're measuring, you should have the tape measure snug but not tight. You should be able to fit a finger under it). Double check all measurements if uncertain.

**CHEST:** Measure around the chest at the fullest part, placing the tape close up under the arms.

**COLLAR:** Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

**WAIST:** Measure around the natural waistline.

**TROUSER LENGTH:** Measure the inside leg from crotch to floor without shoes on.

**HIPS:** Measure around your hips, 20cm (8") below your natural waistline.

**SKIRT LENGTH:** Measure from the waist down to where you would want the hem

**DRESS & PINAFORE LENGTH:** Measure from nape of neck to length required.

### TIPS

- Record your measurements in inches (not centimetres)
- Note down each measurement immediately
- Ensure your child is standing straight and not tucking in his/her tummy
- Take measurements in underwear or tight thin clothing (do not measure when child is wearing bulky or baggy clothing)

# IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

## Washing symbols and their meaning

Always check the label!!!

Machine wash at temperature stated

Hand wash only

Do not bleach

Tumble dry at temperature stated

Do not tumble dry

Dry clean only

Iron at temperature stated

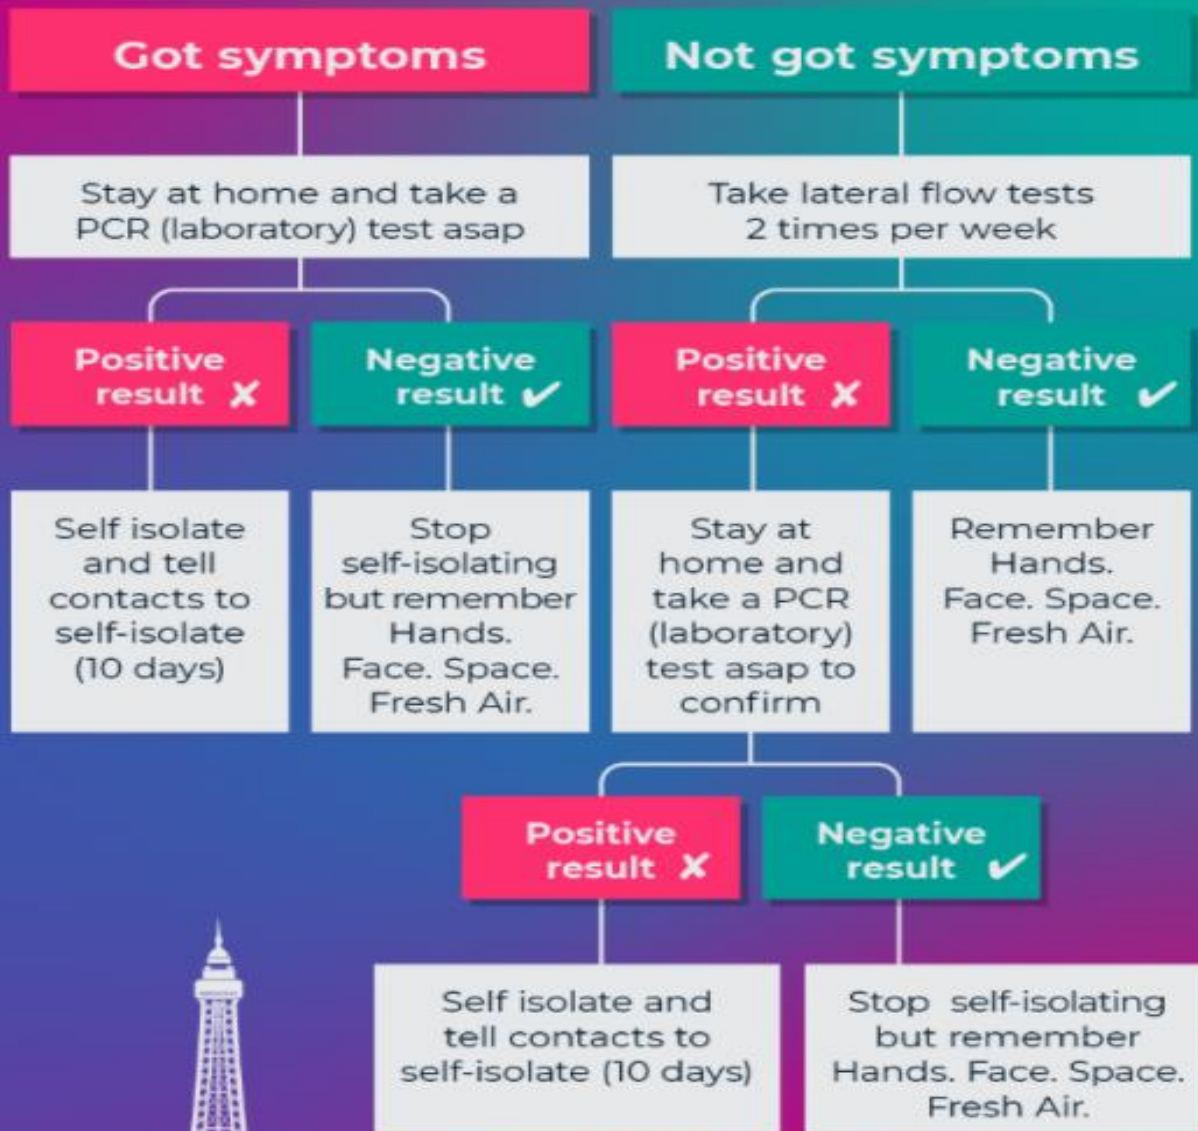

Do not iron

Do not wring out
