Newsletter No. 28

9th July 2021

Dear Parents and Carers

As we come to the end of another week, there have been lots of exciting things happening both in and out of school. It has been a hive of activity as the children have been meeting their new teachers virtually, preparing for sports day, celebrating and learning about all things football to name but a few.

We have also had information released from the government about what September may look like too. We are currently reading through this information and it appears that there will finally be normality as we head into the new academic year. As you will appreciate, we want to read everything carefully so that we can plan a safe return for your children. As a result, it may be that we share this information with you after we have finished school for the term. We will constantly check updates over the summer and will confirm our plans with you shortly before our return in September should there be any changes.

I know you will join me in wishing the England football team all the very best for their match on Sunday and let's hope that when we see each other again on Monday it is in celebration. Regardless, it is a fantastic achievement to have reached the semi-finals and it has been lovely to see the happiness it has brought to our community.

All that is left to say is have a wonderful weekend everyone.

Mrs Boothroyd

Sports Days – Although we cannot invite parents to any of our sports days this year, the children will still have sports day as follows:

Monday - Foundation Stage

Monday - Years 3 & 4

Wednesday - Years 1, 2, 5 & 6

Children will need to wear their full PE kit, bring a drink, sun hat and sun cream, just in case it's hot! All activities will take place within their current bubble. We will take lots of pictures which will be shared with parents via a Sway before the end of term.

A Plea for Safer Parking – Keep us all safe, please park safely!

Please do park sensibly and safely when dropping off or collecting your children from school. Please do not park on the double yellow lines that are around all of our school entrances. We have concerns, our families have raised concerns and our neighbours have expressed concerns that a small number of people are not parking safely. If you can, please park away from school and walk in, this helps us to social distance and also keeps the area around school traffic free and safer for your children. Thank you in advance for considering everyone and parking safely.

Dogs Not Permitted on School Premises – Due to health and safety reasons and the fact that some children are frightened of dogs, we ask that you do not bring dogs on to the school premises at all. Thank you for your co-operation in this matter.

Brigade Clothing – Parents Direct Delivery

As you know, parents can now order school jumpers/cardigans directly from Brigade. Please see their instructions on how to order at the end of this newsletter.

HOW TO MEASURE YOUR CHILD

With the growing popularity of online ordering, this often results in the need to measure to ensure we get the right fit. At Brigade, we strongly recommend you measure your child before placing your order to avoid the cost of returns and re-ordering.

To measure you need a soft measuring tape (or a piece of string and a regular tape). Measure as shown in the diagram right

(keep in mind that when you're measuring, you should have the tape measure snug but not tight. You should be able to fit a finger under it). Double check all measurements if uncertain.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around your hips, 20cm (8") below your natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.

TIPS

- Record your measurements in inches (not centimetres)
- Note down each measurement immediately
- Ensure your child is standing straight and not tucking in his/her tummy
- Take measurements in underwear or tight thin clothing (do not measure when child is wearing bulky or baggy clothing)

IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.
