Newsletter No. 28

22nd April 2022

Dear Parents and Carers

I hope you had a restful Easter and were able to spend time with family and friends. It has been lovely being back in the academy this week with everyone; the children have returned with smiles on their faces and are clearly refreshed ready for learning.

We would like to thank everyone for supporting our staff managing safe parking before and after school. You will have noticed that staff and cones are visible and we have had positive comments from our local community about the impact this has had. We would be grateful if you could continue to support our drive to ensure parking is safe for everyone, thank you.

Please note that we have added the term dates for the academic year 2023-2024 to the end of this newsletter. For those of you planning events and holidays we have shared this information with you in plenty of time to help you with this.

Have a wonderful weekend and we look forward to seeing you all on Monday.

Mrs Boothroyd and the Hawes Side Team

IMPORTANT WASH CARE INSTRUCTIONS

Order Your School Uniform Online

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around your hips, 20cm (8") below your natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.
