Newsletter No. 29

12th May 2023

Dear Parents and Carers

We hope you all had an enjoyable bank holiday weekend celebrating King Charles III's coronation. We had some beautiful weather and I believe it is set to stay into this weekend.

We would like to share how resilient our Y6 children have been this week whilst completing their SAT papers. All our academy community have supported the children and it has been lovely to hear their words of encouragement. Our Y6 children will all be able to go home tonight knowing that they have tried their best and for that we are extremely proud of them.

We have had many other events and activities taking place in the academy this week. Our Y1 children have visited Hangar 42, a valuable resource in Blackpool that has given the children an insight into aviation and Blackpool & the Fylde's role in World War II. Did you know that during this period almost eight hundred thousand RAF recruits had their initial training in the town, described as the 'greatest troop-training station in the world'. To find out more you may be interested in clicking on the following link [Hangar 42 - Enjoyable Travel Along the Fylde Coast \(blackpooltransport.com\)](https://blackpooltransport.com/hangar-42-enjoyable-travel-along-the-fylde-coast).

Please remember, next week we are holding our sports days for Y1-Y6 weather permitting. The days and times are below and we look forward to seeing you then. Should the weather take a turn for the worst, we will make a decision in the morning of the sports day as to whether or not it will be going ahead. We will let you know of the decision by text message.

Let's hope this sunny weather stays into next week as this weekend sees Mrs Conuel, one of our Y6 teachers and Phase Leader, taking on a challenge of her own. She is walking 40 miles on Saturday from Keswick to Barrow to raise funds for the charity Parkinsons UK in memory of her late father. The challenge is expected to take her around 13 hours to complete. If you would like to support this worthy cause, please use the link below.

All that is left is for us to wish a wonderful weekend and fingers crossed we will see you at sports day next week.

The menu for the 18th May is:

Cheese & tomato pizza & skinny fries

Macaroni cheese

Or

Hotdog & skinny fries

Vanilla ice cream with chocolate sauce & sprinkles

For those children not on universal or free school meals the cost is £2.20. You can book your meals using ParentPay.

Consideration for our neighbours

This is a gentle reminder to be considerate of our neighbours at the end of the day when you are meeting your children from school. Many of our neighbours work from home and so we need to be mindful of noise so that we do not disturb them. We thank you in advance for your support with this.

Trim trails

This is a reminder that the trim trails are only to be used during the school day when supervised by staff. Please do not use them at pick up and drop off times. The children are aware of this as we have spent time with them talking about expectations when using the trim trails. Thank you for your cooperation with this.

Performing Arts at Hawes Side Academy

Music in our Academy

Our children had the pleasure of listening to a music recital by our very own Jessi from 5H. During assembly, Jessi performed three music pieces on her violin. Our children were astonished at her talent.

Staff Playlist

"This is one of my favourite songs as I like how the dynamics and instruments build up to the chorus. I can't help but tap along to the rhythm!"
