Newsletter No. 31

13<sup>th</sup> May 2022

Dear Parents and Carers

We would like to share with you and celebrate how resilient our Year 6 children have been this week whilst completing their SATs papers. We are so proud of them. Year 2 will be completing theirs over the course of the next couple of weeks and we know they will make us proud too.

To celebrate the Queen's platinum jubilee, we have the following events to look forward to:

- On Thursday 19<sup>th</sup> May we will be hosting The Queen's Jubilee Picnic in school for our children, please see the flyer below.
- On Thursday 26<sup>th</sup> May we would like to invite our families to a jubilee event at the end of the school day, starting at 3.30pm. We are hoping to have stalls selling food and drink and there will be some royal themed activities for you to take part in.

Have a lovely weekend,

Mrs Boothroyd and the Hawes Side Team

*Relationships      Respect      Resilience      Reflection      Responsibility*

### Have your say...

At lunchtime, you have the choice to order a school meal prepared by our catering company, which is prepared freshly on site. As we begin to prepare for the new year, we would like to know what you think about our school meals.

**Brain Tumour Research Charity** – One of our parents, Sally Hornby, is raising money for Brain Tumour Research. Those of you who know Sally, know that this is a cause very close to her heart, as her son Riley is recovering from a brain tumour. Riley is a resilient, positive and fabulous young man who is currently in our Year 3 cohort. It is lovely to see the progress he is making every day.

Mum has asked us to share their story:

# IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

## HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

**CHEST:** Measure around the chest at the fullest part, placing the tape close up under the arms.

**COLLAR:** Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

**WAIST:** Measure around the natural waistline.

**TROUSER LENGTH:** Measure the inside leg from crotch to floor without shoes on.

**HIPS:** Measure around your hips, 20cm (8") below your natural waistline.

**SKIRT LENGTH:** Measure from the waist down to where you would want the hem

**DRESS & PINAFORE LENGTH:** Measure from nape of neck to length required.
