Newsletter No. 35

7th July 2023

Dear Parents and Carers,
We hope you are doing well! It has been a very busy and exciting week at Hawes Side. We want to share some wonderful news and events that took place recently.

Transition Week:

Our year 6 pupils had the opportunity to visit their new high schools. They got to meet their new teachers, explore the school environment, and start making new friends. We hope this experience has filled them with excitement for the next phase of their education.

The students in our academy had the chance to meet their new teachers as well. These initial introductions will help create a positive learning environment and set the stage for a great year ahead.

Theatre Trip:

The children who performed at Schools Alive were treated to a performance of "Little Red Riding Hood" at Blackpool 6th Form. Their talented students put on an amazing show that left our children inspired. Experiences like this help ignite their passion for the arts and performance, something we value and promote at Hawes Side.

Pupil Achievements:

We are incredibly proud of Nahla, one of our year 3 pupils, and her dance team. They recently participated in the Dance World Cup in Portugal and earned a silver medal. Out of fifty competing countries, they secured an impressive second place. This is such an achievement and certainly one to celebrate!

A huge well done also to our children Lacy, Harrison, Joshua, and Bradley who have been promoted to a new tag in Taekwondo – the picture below shows how proud they are of themselves and so they should be – we definitely are!

We always appreciate your support and encourage you to share any achievements your child may have out of school; together, we can make our school community even more vibrant and successful.

Wishing you a fantastic week ahead!

Rocking all over Hawes Side!

Our year 1 children had a special visitor last week. Lenon, a local musician and past student, played several songs on his electric guitar.

The children thoroughly enjoyed using body percussion to keep the beat going during 'We will rock you'.

Hawes Side certainly did 'rock' that day!

Thank you for the music!

The children who took part in the Sensory Music Club enjoyed showcasing their talents this week.

For the past 4 weeks they have been listening, evaluating, and composing sound effects using percussion instruments
