Newsletter No. 35

17th June 2022

Dear Parents and Carers

Although we still have a few weeks left of this half term, we are already planning for September. It is important to us that we ensure a smooth transition for your child into their new class. Below, we have shared the class your child will move to in September. The teachers in school are already working closely together to get to know your child. We will also be inviting you into the academy to meet with your child's new class teacher on the following days:

Year Group	Date
Year Three	Monday 27th June at 3.30pm
Year Two	Tuesday 28th June at 3.30pm
Year One	Wednesday 29th June at 3.30pm
Year Six	Thursday 30th June at 3.30pm
Year Four	Friday 1st July at 3.30pm
Year Five	Monday 4th July at 3.30pm

You will note we have two new teachers joining us in September, Mrs Claire Twiss and Mrs Annette Conuel. I know you will join us in welcoming them to Hawes Side.

Fisher's Field Consultation

Ben Hunt, the community engagement officer for the parks of Blackpool, has asked us to share the following link. He would like to capture some local views on the use of a small area on/next to Fisher's Field; it should only take a couple of minutes.

Please would you complete the following survey by Monday June 27th

Let's hope the sun keeps shining; have a lovely weekend.

Mrs Boothroyd and the Hawes Side Team

IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

CHEST: Measure around the chest at the fullest part, placing the tape close up under the arms.

COLLAR: Measure around the base of the neck where the collar sits, inserting two fingers between the neck and tape to allow growth

WAIST: Measure around the natural waistline.

TROUSER LENGTH: Measure the inside leg from crotch to floor without shoes on.

HIPS: Measure around your hips, 20cm (8") below your natural waistline.

SKIRT LENGTH: Measure from the waist down to where you would want the hem

DRESS & PINAFORE LENGTH: Measure from nape of neck to length required.
