Newsletter No. 36

24<sup>th</sup> June 2022

Dear Parents and Carers

We have had another busy week.

It was lovely to see our new starters in the academy. They joined us for stay and play sessions and we look forward to welcoming them all when they officially join us in September.

A huge thank you to all our parents and carers who provided plenty of support and cheers for our Year 5/6 Sports Day that we finally managed to hold this week. It was wonderful to see so many parents and carers in school again. The sunshine was kind to us too!

Next week you are invited to our 'Meet the Teacher'. Please see diary dates for further details. This is an opportunity for you to meet your child's next class teacher. We look forward to sharing some information with you that will be useful in September.

Due to the warm weather, please can we request that children come to school with sun cream applied, a named water bottle and a named hat.

Have a lovely weekend,

Mrs Boothroyd and the Hawes Side Team

*Relationships    Respect    Resilience    Reflection    Responsibility*

**ENVEO – NW Environmental Services** – We were delighted when two members of staff from ENVEO visited the academy last week to present Max, one of our Year 4 pupils, with a Litter Hero jacket and litter picking kit. Max started a litter picking group at school and has been encouraging his friends to help him look after our school grounds. If you wish to become involved with cleaning up our environment please see flyer further down in this newsletter. All families are welcome to volunteer with the Stargate Beach Clean group.

**Blackpool FC Community Trust** – BFCCT have been delivering Fit2Go lessons to our Year 4 children this term.

They were invited along for a tour of Blackpool FC stadium which they all enjoyed! They were told how the players trained and prepared for their matches.

In school the children have been learning how to eat a balanced diet as well as how exercise helps to keep their bodies healthy.

**Family Learning – A Fun Workshop for Year 1 Families** - This workshop will take place on Tuesday 5<sup>th</sup> July – 9:15am-11:00am. Please see flyer below for further details. Remember to book a place please by using this link <https://bit.ly/FLSW22>

### IMPORTANT WASH CARE INSTRUCTIONS

Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.

- Turn garments inside out to wash and dry
- Fasten any buttons before washing
- Do not overload machine
- Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
- Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.

**Washing symbols and their meaning**  
Always check the label!!!

#### HOW TO MEASURE YOUR CHILD

Measure the actual body measurements as this is far more accurate than measuring over clothes.

**CHEST:** Measure around the chest at the fullest part, placing the tape close up under the arms.

**COLLAR:** Measure around the base of the neck where the collar sits. Inserting two fingers between the neck and tape to allow growth

**WAIST:** Measure around the natural waistline.

**TROUSER LENGTH:** Measure the inside leg from crotch to floor without shoes on.

**HIPS:** Measure around your hips, 20cm (8") below your natural waistline.

**SKIRT LENGTH:** Measure from the waist down to where you would want the hem

**DRESS & PINAFORE LENGTH:** Measure from nape of neck to length required.
