Music in our academy

This term some children from 3H have chosen to attend ukulele club. They have been learning to play different chords on the ukulele and applying this skill to playing some well-known pop songs. This includes "Roar" by Katy Perry.

Freddie in 3H said he likes the club so much that he has asked for a ukulele for his birthday. The children in 3S and 3A are excited to participate in the club in later this year.

Staff Playlist

"Yellow came out in the summer of 2000 it was a great year for me. I was about to graduate from University, and I heard that song all the time on the radio. I fell in love with it immediately and when I hear it now, it takes me back to that time in my life. I always love when songs can do that."
