Ethan 4H and Ethan 4S, Sofia,  
Sadie, Callum Mc and Laini

## Thought of the Week

'Do something today that your future  
self will thank you for.' Helen Craig,  
Vice Principal

'Life moves pretty fast, if you don't  
stop and look around once in a while,  
you could miss it.' Emily Murdoch, Class  
Teacher

## Parent & Guardian Evenings

*Parent & Guardian Consultation  
Evenings are on the 25th & 26th  
March.*

Please book your appointment/s  
using the Arbor APP system.  
However, if you are having  
difficulties with this, contact the  
office, who will endeavour to  
book a slot for you.

Please read the letter for more  
information. Should you require a  
paper copy, ask at the office.

## A message from our Principal

The weeks seem to be going by so quickly as we begin to approach the end of Spring Term. As always, we have lots of enrichment activities planned for the children.

Next week, all the Year 1 children are visiting Salisbury Woodland; this is to enhance their current learning about plants. We are certain they will enjoy studying plants in their natural environment.

You'll also remember that a number of our children took part in the School's Alive performance at Winter Gardens recently. As a thank you for their hard work towards this, Blackpool Sixth Form have provided some of these children with the opportunity to see a performance of Beauty and the Beast next week!

As always, I know these children will be fantastic ambassadors for our academy and it is a pleasure to offer the children these additional opportunities.

Red Noses will be on sale from the office next week and please also start collecting cake donations for our academy cake sale on the last week of term. All proceeds from this will go towards the Year 6 end of year leaver's activities.

## Year 1 News

In Year 1 the children have recently started their learning about plants. ~They have been classifying seeds and bulbs and also talking about the different parts of the plant.

As a family, if you happen to visit your local garden centre, why not ask your Year 1 child about their favourite plants. You could also see which parts they can identify!

In art lessons, the children have been working on their printing skills. First, they went on a hunt around the academy grounds to collect different leaves so that they could then make wax crayon rubbings. From the rubbings, the children were able to identify the different patterns and structure of the leaves.

It was incredibly interesting to see how each leaf was so different despite, thinking on the first look, that they all looked very similar!

## Celebrating Success

We are so proud of Emma, in Year 4, who took part in the Western Championships 2025 for cheerleading!

Emma, along with her fellow cheerleaders, presented themselves exceptionally well. All that is left to say is “three cheers to you Emma and well done!”

## Class photographs

On the 18th March, Tempest Photography are in the academy to take whole class photos. These will be available to purchase afterwards through Tempest and information will be shared on how to order the pictures if you wish to.

Please can all children come in school uniform regardless of whether it is your child’s PE day.

If you do not want your child to be included in the class photos, please email the academy at [admin@hawes-side.co.uk](mailto:admin@hawes-side.co.uk)

## Camps!
