Parent & Guardian Evenings

Parent & Guardian Consultation Evenings are on the 25th & 26th March.

The bookings have now closed and all our families now should have an appointment secured to speak with their child's class teacher.

At the evenings we ask for your feedback and Pupil Leadership will be on hand to ask you to complete a quick survey. You can also update your details with Lynsey from the office and pick up some handy information about keeping in touch with the latest news.

A message from our Principal

It's been a lovely week and the children and staff have enjoyed the sunshine, lets hope Spring is here to stay.

In Foundation Stage, the excitement is building as the chicks have hatched, and the children have been fascinated watching them grow and develop. It's a wonderful hands-on learning experience we have all enjoyed.

A quick reminder that Parents' Evening is next week. This is a great opportunity for us to discuss your child's progress and how they're settling in this term. We look forward to seeing you then!

Year 2 News

Year 2 have been very busy learning lots of new and exciting things. The children have especially enjoyed our project designing and creating purses and wallets in DT.

Year 2 have learned how to join fabrics in different ways and had the opportunity to apply their sewing skills when making their designs. They have used buttons, Velcro and snap fastenings to open and close the creations and they are very proud of what they have produced.

In computing the children have learned about photography and have been mini photographers using their iPads to capture images. They tested different orientations and learned how to frame their images and also used editing, lighting, filters and effects to create their masterpieces.

Looking ahead Year 2 are looking forward to their visit to Showtown and will share their experiences on the academy website - latest news.

Don't forget we break up for Easter, normal time, Friday 4th April. Children can come in non-uniform if they wish.

Notices

Chick update

The chicks have hatched in Foundation and the children even got to see one of them hatch right before their eyes. Follow their updates in the 'latest news' section of our website and [click here](#) to view one of the chicks pecking (or pecking) into the world for the first time!
