Thought of the Week

'Our environment is ever changing. As we head towards the start of Spring, there are already some changes happening; what have you seen that is different or new?'

Becky Foxton, Business Manager

Community values

We would like to remind all members of our school community to prioritise safety and respectful behaviour when dropping off and picking up children.

Recently, concerns have been raised by neighbours about unsafe driving and inappropriate conduct near our academy. To help keep everyone safe, please remember to follow speed limits and traffic rules and be patient and respectful to members of our community.

Thank you for helping us to maintain a safe and positive school environment for all.

A message from our Principal

Welcome to our first week back into the academy, I hope you had a restful half term.

We started the week with a visit to the Tower Ballroom, where some of our KS2 children had the chance to listen to the National Youth Orchestra. It was a fantastic experience for our budding musicians who came away feeling truly inspired.

There is also a lot of talk in school about the Seven Planet Parade - a rare celestial event where seven planets align in the night sky. Tonight has been reported to be the best night to see it, around six o'clock teatime, so if the sky is clear, it will be well worth a look. The next alignment like this won't happen until 2040, making it a special event to share with your children.

Have a wonderful weekend and we look forward to seeing you on Monday.

Important Dates

Parent & Guardian Consultation Evenings

Information has been sent out by email and on the app about the Parent & Guardian Consultation evenings being held on 25th & 26th March.

You can book your appointments from Tuesday 4th March at 10:30am using the Arbor system.

Please read the letter for more information and should you require a paper copy, ask at the academy office.

Class Photos

18th March Tempest Photography are in the academy to take whole class photos. These will be available to purchase through Tempest.

We ask all children come in school uniform regardless if it is your child's PE day.

If you do not want your child to be included in the class photos, please email in to the academy at admin@hawes-side.co.uk

Multiplication

Mrs Twiss and Mrs Hodgkinson wanted to remind year 4 about the multiplication check that will be happening after May half term.

Times table fluency is the golden thread in maths! Quick recall, is key! Any practice at home is beneficial. If you have any questions, please speak to Mrs Hodgkinson or Mrs Twiss and thank you for your continued support!

Celebrating success

Alice, Ada & Lola in Year 4 all took part in Dance Sparkle 2025 for the Dance Place. All three year 4 pupils worked so hard to put on a great performance at the Globe Theatre at the Pleasure Beach. Well done, we are sure you certainly did 'sparkle'!

World Book Day

World Book Day 6th March 2025.....This year we are asking children to come dressed as a word. Yes a word! So, for example, you could come dressed head to toe in blue to represent the word 'blue', or come wrapped up in a box for the word 'box'. You could just keep it simple and write a word on some paper and stick it to your clothes!

If you don't fancy being a word for the day, why not come in your pyjamas, as if ready for a really good bed time story.

CAN YOU DONATE TO OUR SCHOOL?

Hawes Side Academy is working on an exciting project to transform our school's outdoor play area - and we need your help!

DO YOU OR YOUR BUSINESS HAVE ANY OF THE FOLLOWING ITEMS?

- LARGE CABLE REELS
- TRACTOR AND CAR TYRES
- PLASTIC CRATES
- STANDARD PALLETS
- LARGE/MEDIUM PLASTIC TUBES

Additionally, we're planning to build a new 12ft x 12ft sandpit for our pupils to enjoy. If you or your business could support us with any of the following, we'd love to hear from you!

DESIGN LANDSCAPING EQUIPMENT HIRE
WOOD PLAY-GRADE SAND

THANK YOU for supporting our school and community!
