Summer Term 2

What’s Coming Up? Dates for your diary

It is the final half term of this academic year and it is busy! We have lots of events coming up and whilst notifications are sent by email, the app and sometimes text, the quickest way to find out is using the website calendar. [Click here to find out more.](#)

Some highlights of what is coming up include Sports Days on the 10th 11th and 12th June. Weather permitting, the ‘sporty fun’ will start at 2:15pm on the field.

Every Thursday from the 5th June to 10th July we are holding Upbeat Family Workshops where parents have a booked session with their child to discover our music curriculum in the academy. Parents and carers who have booked a spot will already have all the information. I bet there’s a few ‘grown ups’ who can’t wait to have a go on the drums or play a real guitar!

Keeping on a music theme, Year 4 are looking forward to their Ukulele performance in July. In addition, the Ukulele Ensemble will be performing to their parentss and families on the 16th July, showcasing what they have learned during their tutoring lesson outside school.

Looking ahead to our new children starting school for the first time in September.....they will have the opportunity to ‘Stay and Play’ with their peers on the 18th & 19th and 25th & 26th June. They are with us for an hour on each of the two days, giving them a taste of Hawes Side life.

Our new families should have all the information available to them frome the New Starter packs.

This term you will also receive your child’s report home, giving families a final insight into their child’s academic year and conclude the year.

Year 6 Enterprise The Sale is On!

YEAR 6

Over the last few weeks, our Year 6 pupils have been super busy and creative making, lots of handmade items to sell to the Hawes Side community next week.

Items will be available to purchase for as little as 50p and up to £1 and include everything from bracelets and bookmarks to origami, even your very own pet cloud or pet rock! The sale is on!

The Year 6 pupils have found the creative experience immensely rewarding. They have let their imaginations run wild and spent time putting together well thought out and cost effective designs, which they hope will be a hit with our community.

Diligently painting, folding, glueing during the craft making process, the pupils have worked hard to ensure the end design is worthy of sale. They have been tough task masters, and at times, the Year 6 classes have felt like scenes from ‘The Apprentice’!

‘Creativity is intelligence having fun’ Albert Einstein

It has been inspiring to see their initiative and strong work ethic, which, to be fair, they have shown throughout their time in Year 6.

This Enterprise Sale promises to be one of our best. Well done, Year 6!

A message from our Principal

CAROLINE BOOTHROYD

It’s been lovely to welcome everyone back after the half-term break. The children have returned full of energy, and there’s a real excitement around school as we get ready for our Sports Days next week, if you have missed the dates please see above; we are looking forward to seeing as many of you there as possible.

As always, we really value working in partnership with you. If you ever have any worries or questions, please do not hesitate to speak to your child’s class teacher or another trusted adult in school as we are always here to listen and work things through together in a positive way.

We kindly ask that any concerns are brought straight to us, rather than being discussed on social media or in group chats, as these can sometimes cause confusion. Our door is always open, and we truly believe the best outcomes come when we work as one team, school and home together.

We know that some of our families are celebrating Eid which begins today, and we’d like to wish Eid Mubarak to all those taking part in the festivities, we hope you have a joyful and meaningful time with your loved ones.

Have a lovely weekend and we hope to see you all next week.
