English

This week in English we are working on our inference skills. We are going to practise being text detectives.

Task 1-start by recapping your inference skills using this website:

<https://www.bbc.co.uk/bitesize/articles/zfn6pg8>

watch the video and have a go at the activities underneath.

Task 2- using this information have a go at completing the inference skills worksheets. They can be found here:

<https://content.twinkl.co.uk/resource/57/3c/t-l-52302-cfe-first-level-inference-activity-sheet-ver-1.pdf?token=exp=1602409485~acl=%2Fresource%2F57%2F3c%2Ft-l-52302-cfe-first-level-inference-activity-sheet-ver-1.pdf%2A~hmac=6616cdb55d8c3c030960ca9e089bde7373f3ccf2d45b12d93f5d5bf0f4092d7d>

Remember to practise your spellings on EdShed and your reading skills on read theory. You should find your log-in in your reading record. If you don't have your log-in please contact your class teacher and they will be happy to help.

Maths

This week in Maths we will again be looking at column addition. Please recap last weeks tasks below.

Task 1- This week in maths we will be looking at adding three digit numbers. Use the oak national academy [link](#) to look at adding two 3-digit numbers without regrouping. This [website](#) can be used to work with online dienes blocks.

Task 2- Once you have completed task one, have a try at completing addition where you regroup in one column. Use the oak national academy [link](#) to help you.

Task 3- You final task for the week will test the addition skills you have learnt this week. Use the oak national academy [link](#) to help practise addition with more than one regrouping.

If you have already completed these tasks then please direct your focus towards your times tables. Use either times table rock star or hit the button to help you learn a different times table each day. If you don't have your log please contact your class teacher and they will be happy to help

Theme work

This week in geography, we will be looking at human and physical geography in the USA. Use this [BBC bitesize](#) website and read through [kids world travel guide](#) to understand the difference between human and physical geography.

Now it's your turn to spot human and physical geography. Choose one of the 50 states of America. Research the different human and physical geography they have. Can you create a poster to show the different geography in that state? If you have time, try this again with a new state to compare similarities and differences.
