

# Home Learning Year 2

w/c 19/10/20

## English

This week in English we are reading the Three Billy Goats Gruff. You can listen to the story [here](#).

Lesson 1 - Can you retell the story putting the events in the correct order? Think about the characters, setting, what the problem was and how the problem was solved. You could show your retell as a comic strip or make your own little book.

Lesson 2 - Use this [link](#) to read a short comic strip version of The Three Billy Goats Gruff and have a go at answering the questions about what you have read.

If you can't print the sheet you can write the answers on a piece of paper.

Lesson 3 - Think about the character of the troll. Can you think of some adjectives to describe how he looks and how he behaves? You could use [word hippo](#) to find some interesting vocabulary to use. Use the adjectives you have collected to write a poster warning people/ animals not to cross the bridge.

Remember to practise your spellings on Spelling Shed. You should find your log-in in your reading diary. If you don't have your log-in please contact your class teacher and they will be happy to help.

## Maths

This week in maths we are looking at subtraction.

Use these lessons to help you with this.

[Lesson 1](#) - Subtracting using a numberline

[Lesson 2](#) - Subtracting using number facts

[Lesson 3](#) - To use number bonds to ten to subtract a 1 digit number from a teen number.

Play these games to help practise subtracting.

[Subtraction to 10](#)  
[Mental Maths Train](#)

## Topic

This week in Geography we are looking at physical and human features.

Use this to [link](#) to watch a video about physical and human features and explore physical and human features at the seaside.

Can you draw some physical and human features you have seen in your local area  
e.g postbox - human feature  
Beach - physical feature.

In Science this week we are looking at the parts of a tree. This [link](#) will tell you more about the parts of tree.

Can you make your own labelled picture of a tree? Don't forget to include the **roots, trunk, branch, leaves, twigs** and **crown**. You can be as creative as you like and you could paint, use crafts materials, playdough etc to make your tree and add some labels.
