English

This week in English we are looking at stories and how to start stories. Think about how to introduce your characters and where the story is set.

Use different techniques eg. Expanded noun phrases, fronted adverbials to create an atmosphere.

Use one of the following sentences as a start point.

The eyes in the painting follow him down the corridor

It was there and then it had gone, why would a rabbit be on my bathroom floor?

Footsteps slowly creaked on every step of the stairs. The bedroom door handle turned slowly.

Maths

This week in maths we will be using our knowledge of place value and calculations to answer some problems.
