English

This week in English we are reading and writing information texts about 'Burrowing animals'.

Choose a burrowing animal such as a mole, rabbit, badger or fox and write down 5 questions that you would like to find the answer to. Don't forget to use a question mark.

Watch these videos from BBC clips to find out some facts about different animals including rabbits, moles and badgers.

<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-the-burrowers/z74kgwx>

You could do some of your own research too.

Write some sentences about the animal you have chosen to research. You could write about what they eat, where they live and how they protect themselves.

Remember to practise your spellings on Spelling Shed. You should find your log-in in your reading diary. If you don't have your log-in please contact your class teacher and they will be happy to help.

Maths

This week in maths we are looking at addition and focusing on our number bonds to 10.

This [lesson](#) will support you in learning your number bonds to 10.

Practise recalling your bonds to 10 with [this game](#).

Topic

This week in Art we will be looking at the work of the artist Paul Klee.

Watch [this video](#) about his artwork 'Castle and the Sun'.

Can you create your own 'Castle and Sun' using shapes and bright colours. You could use crayons, paints, or even playdough.
