October 2020

Hawthorns School Sport Premium Statement of Intent 2020-21

The government has maintained the level of funding for the academic year 2020-21 to improve the provision of physical education and sport in primary schools. The focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding. Funding is based on our School size having more than 16 pupils in years 1-6 .

Total - £17,010 (119 pupils Year 1 -6 2020-21)

7/12 of the funding allocation is paid on 1 November 2020

5/12 of the funding allocation is paid on 1 May 2021

Our Vision for Primary PE and Sport Premium: All pupils will leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objectives: To achieve self-sustaining improvement in the quality of PE and sport measured against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity and active healthy lifestyles
2. Raising the profile of PE and sport across the school as a tool for whole school improvement
3. Increasing confidence, knowledge and skills of staff in teaching PE and sport
4. Increasing participation in competitive school sports.
5. Expanding the growth in the range of traditional and alternative sporting activities offered to pupils

In March 2020, Hawthorns School was closed to all but the children of key workers and vulnerable children, in accordance with national lockdown guidance. As such, the intended impact of Sports Premium could not be realised. As a result, the remaining allocation of approx. £7000 has been brought forward by special instruction from Tameside School Sports Partnership in accordance with national guidance.

Since Lockdown, children generally have had less opportunities to engage in physical activity. Some of children who have returned to school are less physically fit than before and some appear to have gained weight. We are aware that some children have stayed indoors for long periods of time .

Increasing fitness levels will need to be a priority for school in September. We will

- Continue to address issues around obesity and low fitness levels through increasing participation in physical activities and providing a range of activities to engage all pupils.
- Increase the amount of time for physical activities that ensure children 'get out of breath'.
- Achieve Gold School Games Award

Plans for funding for 2020 -21

Intended purchase	Funding allocated(approx)	Expected evidence and impact	Links to indicators	Sustainability and next steps
Membership of Tameside School Sports Partnership	£1500- for 2-year contract	Support for PE staff. CPD and networking opportunities. Athlete visits. Support for paperwork. Resources. Competitions.
