### National Curriculum requirements for swimming and water safety

Learning about water safety and knowing how to keep safe in and around water is a life skill and as such , is recognised and measured in the same way as other subjects. As part of the Government requirements for reporting as part of the Sport Premium Funding , schools are required to publish information about Year 6 pupils swimming achievements.

As of July 2019 Hawthorns School had 18 Year 6 pupils . 6 pupils ( 33.33% of Year 6 )met the expected requirements and can :

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively

- **perform safe self-rescue in different water-based situations.**
