

Yr 1 We are going to learn about 2D and 3D shapes. Can you go around your house/garden and look for 2D and 3D shapes and draw them or take photos of them.

Yr 2 We are looking at multiplication and division. Can you show how you would solve the problem below. (Think about using real objects or drawing pictures to help you! You could take photos to show what you used.)

You have 6 bags of sweets and in each bag there are 5 sweets. How many sweets do you have altogether?

You could then write your own word problems.

As we are enjoying 'The Dragon Machine' in English, try designing your own dragon. You can draw it, paint it, make it, use your imagination.

Essential Homework

To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings (Yr 2)

Practise your 2x, 5x, 10x tables on Maths Rockstars

We have been thinking carefully about our feelings. Can you make a poster to show 3 positive feelings and the things that make you feel these emotions?

Pick and Mix Homework

Term 2

Remember you don't need to do all 7!

Log on to Purple Mash and find the new 2do. Your tasks are about Florence Nightingale.

We are learning about Florence Nightingale this term. Can you make a model of her hospital in Scutari - this can be before or after she arrived? Your model can be made from anything! (Even Lego!)

PE - This term we are looking at yoga and mindfulness.

Can you create your own mindfulness or yoga video and send the video in via Class Dojo?

Yr 1 Draw a picture and write a sentence about your pet. If you don't have a pet, do it for a pet you wish you could have.

Yr 2 We are going to look at life cycles. Can you show us you know an animal life cycle e.g. Life cycle of a frog or Life cycle of a butterfly.

All work to be returned on Monday 15th December. Due to it being a busy Christmas week, we will take photos of all the work and add to dojo.
