Overview

- India is a country in south Asia.
- It shares borders with Pakistan, China, Nepal, Bhutan, Bangladesh and Myanmar.
- India has coastlines on the Indian Ocean (south), the Arabian Sea (south - west) and the Bay Bengal (south - east).
- India also includes several islands in the Indian Ocean.
- With an area of 3,287,263km², India is the 7th largest country in the world.
- About 1.35 billion (1,350 million) people live in India. It is the 2nd most populated country in the world, after China. It is thought that the population of India will soon overtake that of China.

Human Geography

The area that is now India was ruled for several hundred years by powerful local empires. In its more-modern history, it was a part of the British Empire. Throughout the 20th Century, India became an independent nation.

Population		With around 1.35 billion people, India is the 2 nd most popular country in the world.
Settlements		The capital city of India is New Delhi. New Delhi is apart of the wider city of Delhi, containing 11 million people. However, it is not the most popular city in India, as Mumbai has around 12.4 million people. The most popular city is Bangalore, with 8.4 million people.
Economic Activity		The Indian Rupee is the national currency of India. India is a land of great disparity, with some of the richest people in the world, but also millions of people living in poverty. India has the world's 5 th largest economy.
Resources/Trade		India's biggest exports include petroleum, gems and jewellery, pharmaceutical products, transport equipment, machinery and instruments, ready-made garments, metals, electronics, rubber/glass and products, cotton, yarn and fabrics.

Comparison with the UK

- The UK is in Europe, whilst India is in Asia. The UK and India are both in the northern hemisphere.
- The UK has a temperate climate, whilst India's climate is varied, with many different biomes and climates.
- India is larger than the UK - 3,287,673sq. km compared to 243,610sq. km.
- Far many people live in India than the UK - 1.35 billion people compared to 66 million in the UK.
- Delhi and Mumbai are both more poplar than the largest city in the UK: London.
- The UK is an island country, whilst India is on the Asian continent.

Pet	total

7 children play piano

If there are 10 steps to increase by 10 then the scale is going up in 1s.

If there are 5 steps to increase by 10 then the scale goes up in 2s.

If there are 2 steps to increase by 10 then the scale goes up in 5s.

1 litre > 5 millilitres

The bottle has a greater capacity than the teaspoon

25°C is hotter than 20°C

so

20°C is colder than 25°C

Knowledge Organiser - Animals including Humans

Stages of human life

These pictures show the stages you go through as you grow from a baby into an adult.

Which of these stages are you at now?

adult

teenager

child

toddler

baby

Healthy eating

Animals and their offspring

Exercise

There are lots of different types of exercise that we can do. How many of these have you tried?

walking	netball	gymnastics	swimming
rugby	ice skating	skipping	rowing
hockey	skateboarding	hiking	tennis
running	basketball	dancing	athletics
trampolining	football	push-ups	bowling

How does exercise affect our bodies?

When we exercise, our muscles need more energy to make them work harder.

- 1) We breathe faster to get more oxygen into our body.
- 2) Our heart beats faster so that the blood moves around our body quicker.
- 3) We sweat to cool our bodies down.

Key Vocabulary

Exercise	An activity requiring physical effort. People usually exercise to sustain or improve their health and fitness.
Growth	The growth of a person, animal, or plant is its process of increasing in size. For example, humans grow from a baby to an adult.
Survival	Survival is the act of living despite there being difficult circumstances, such as adverse weather or a predator.
Offspring	A person's child or children, or an animal's young.
Hygiene	This is the practice of keeping yourself and your surroundings clean, especially to prevent illness or the spread of diseases.

Hygiene

Washing your hands will stop the spread of germs which could make you ill.

Links to the PE National Curriculum

- Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others.
- They should be able to engage in competitive (both against self and against others) physical activities.
- Pupils should be taught to master basic movements including running, jumping, throwing as well as developing balance, agility and co-ordination.

Official Athletic Events

Running

- Sprinting**
100m, 200m, 400m
- Hurdles**
- Relay**
- Middle distance**
800m, 1500m
- Long distance**
5,000, 10,000
- Steeplechase**

Jumping

- Long jump**
Jump for distance
- Triple jump**
Jump for distance
- High jump**
Jump for height
- Pole vault**
Jump for height

Throwing

- Discus**
Fling throw
- Shot**
Push throw
- Hammer**
Fling throw
- Javelin**
Pull throw

Key Vocabulary:

speed • jog • sprint • pace • balance
 direction • take off • landing • swing
 height • distance • overarm • underarm

Key Skills: Physical

- Running at different speeds
- Jumping for distance
- Jumping for height
- Throwing for distance

Key Skills: S.E.T

- Social: Working safely
- Social: Collaborating with others
- Emotional: Working independently
- Emotional: Determination
- Thinking: Observing and providing feedback
- Thinking: Exploring ideas

Teacher Glossary

Pace: the speed at which a performer runs

Agility: the ability to change direction quickly and easily

Jump: take off and land on two feet

Hop: take off on one foot and land on the same foot

Co-ordination: to move different body parts at the same time

Links to the PE National Curriculum

- Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others.
- They should be able to engage in competitive (both against self and against others) physical activities.
- Pupils should be taught to master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities.
- Pupils should be taught to participate in team games, developing simple tactics for attacking and defending.

Key Skills: Physical

- Throwing
- Catching
- Hitting a ball
- Racket skills
- Ready position

Key Skills: S.E.T

- Social: support
- Social: co-operation
- Social: respect
- Social: communication
- Emotional: perseverance
- Emotional: honesty

Key principles of net and wall games

Attacking	Defending
Score points	Limit points
Create space	Deny space
Placement of an object	Consistently return an object

- Thinking: decision making
- Thinking: reflection
- Thinking: comprehension
- Thinking: selecting and applying

Examples of Net and Wall Games

Tennis

Badminton

Volleyball

Key Vocabulary:

- receive
- opponent
- quickly
- trap
- defend
- return
- collect
- against

Year 2

Teacher Glossary

Trap: To stop or trap a rolled ball on the floor using a tennis racket

Ready position: Feet shoulder width apart, knees bent, used to be able to move to the ball quickly

Y2 PSHE Jigsaw Knowledge Organiser Relationships

Puzzle Outcomes

- To identify the different members of my family, understand my relationship with each of them and know why it is important to share and cooperate.
- To accept that everyone's family is different and understand that most people value their family.
- To understand that there are lots of forms of physical contact within a family and that some of this is acceptable and some is not.
- To know which types of physical contact I like and don't like and be able to talk about this.
- To identify some of the things that cause conflict with my friends.
- To use the positive problem-solving technique to resolve conflicts with my friends.
- To understand that sometimes it is good to keep a secret and sometimes it is not good to keep a secret.
- To know how it feels to be asked to keep a secret I do not want to keep and know who to talk to about this.
- To recognise and appreciate people who can help me in my family, my school and my community.
- To understand how it feels to trust someone.
- To express my appreciation for the people in my special relationships.
- To be comfortable accepting appreciation from others.

Weekly Celebrations

- Week 1- Know how to make friends.
- Week 2 – Try to solve friendship problems when they occur.
- Week 3 – Help others to feel part of a group.
- Week 4 – Show respect in how they treat others.
- Week 5 – Know how to help themselves and others when they feel upset and hurt.
- Week 6 – Know and show what makes a good relationship.

Relationships at Haydon Wick Primary School

As good citizens of Haydon Wick Primary School, it is important that we follow our motto, 'Working together, playing together.' We learn how to establish good friendships and relationships with others.

Our Values of the term:

Responsibility & Thoughtfulness

Key Vocabulary

Family	A family is two or more people who are connected by biology, adoption, marriage, or strong emotional bonds.
Relationship	Being related or connected.
Co-operate	Working together to get something done.
Physical contact	To touch.
Acceptable	Satisfactory or welcome.
Unacceptable	Not pleasing or welcome.
Conflict	A struggle between people or disagreement.
Secret	Something kept or planned to be kept from others' knowledge.
Trust	A person or thing in which confidence is placed.
