In Science, our topic is Electricity. Walk around the house for 10 minutes and list every device that runs on electricity versus things that don't. Then draw a warning poster showing 3 to 5 golden rules for staying safe around electrical outlets and cords at home.

History, we are leaning about Ancient Greece. Can you complete some research and create a fact file about all things ancient Greece?

PSHE this term will look at dreams and goals. What are you dreams and goals? What do you want to be when you are older? Can you draw up a picture of you in your dream job?

We are reading the book 'the miraculous journey of Edward Tulane' Can you read the blurb of the book and design a new front cover for the book?

Pick and Mix Homework

Term 2

Remember you MUST do at least one activity

To strengthen our writing skills, can you write a letter inviting someone to come to our school for a Christmas party. Be as descriptive as you can! Use expanded noun phrases from last term for an extra wow factor.

In Maths, we are focusing on building our timetables to help strengthen our retrieval skills. Can you create timetables display poster?

Essential Homework To be done EVERY DAY!

Read for 10 minutes

TTRS 20 mins a week

Learn and practise your spellings.

In PE, we are going to complete a topic on Yoga. Can you create your own Yoga workout! Channel your inner Yoga teacher!

All work to be returned on Friday 15th December
