

We will be looking at the book Zog in English, try designing your own dragon. You can draw it, paint it, make it, use your imagination.

(There is a salt dough recipe on the back of the homework. You could try making a salt dough dragon.)

Can you create your own fire dance? You could record it and send it to us via Class Dojo page.

Maths - We have learnt about 3D shapes and learnt the terms edges, vertices and faces. Can you show what you know about 3D shapes and tell us how many faces, edges and vertices they have?

We are looking at the Great Fire of London and would love you to create a poster about everything you have learnt about the topic.

Year 2

Pick and Mix Homework

Term 2

Remember you only need to choose 2/3 of the activities

In Science, we have been learning about habitats e.g. rainforest, desert, ocean etc.

Can you carry out research about a habitat and then create a poster, picture or model to show what you discovered?

Essential Homework

To be done EVERY DAY!

- Read for 10 minutes
- Learn and practise your spellings weekly
- Practise your 2x, 5x, 10x tables and use TTRockstars or Numbots.

Could you design your own Christmas wrapping paper?

Maybe you could do a repeating pattern, or even make a symmetrical design. Try using the pattern tool in 2paint a picture.

Handwriting - We are focusing on our handwriting and looking at pre cursive handwriting. Please see the sheet attached on how to form each letter.

Why don't you write a sentence about your favourite thing to do at home? e.g. baking with your Granny or playing football at the park and use your neatest handwriting.

All work to be brought in on Monday 14th December. (We will not be having parents in this term).

Salt Dough

Playdough Recipe

You will need:

2 cups flour

1 cup salt

1 cup water

Food colouring (optional)

Method

1. Mix together the flour and salt in a large mixing bowl.
2. If desired, add 5-10 drops of food colouring to 1 cup of water.
3. Stir the water into the flour and salt in the large bowl.
4. Roll out the dough on a flat surface and knead it together. It should be soft and pliable.
5. Make models and ornaments.
6. The dough can be left to air dry or dried in a low oven 120-150°C. The time the dough takes to dry will depend on the size and thickness of your creations.
