

Show us your knowledge of fractions! Can you split shapes, amounts, or food into halves or quarters? Can you take a photo or draw your findings?

Create a story map, booklet or power-point about Easter. You could tell us how you and your family celebrate this special time in the Christian calendar.

Skills to practice EVERY DAY!

Read for 10 minutes.

Practise your phonics sounds -
keyring

Practise your new spellings - book

Practise your tricky words - sheet

Time to go shopping with your grown-ups! Help them to write the shopping list, then go to the shops to get everything! Remember to use bullet points.

Year One Pick and Mix Homework Term 4

Can you take some photos or make a video of the exercise you do at home, e.g. you might play football, ride your bike, go swimming or walk the dog.

All work to be returned on
Monday 23rd March 2026 please

Handwriting - We are focusing on our handwriting and making sure we form our letters correctly.

Check out the Little Wandle website for the handwriting rhymes to help!

www.littlewandlelettersandsounds.org.uk/resources/for-parents

Design and make a medal for Matthew Henson or Felicity Aston. Think about what the medal will look like - what did they do to achieve it?

Can you create a little booklet about different animals? You could draw the animals or stick a picture of the animals in your booklet. Then can you add some facts about the animals, e.g. What do they eat? Which animal group do they belong to? You could add in facts that you find particularly interesting. You could do one, two, three of whole book of animals!

Year One Homework: Pick and Mix Home Learning

At Haydon Wick, we have four golden threads, which are woven through all we do and all the teaching decisions we make. We are a values-based school, and we have 22 core values we focus on but at the heart of our values we have the 3R's -

Respect, Resilience and Responsibility.

With these golden threads and core values at the heart of everything we do, we have considered our homework and have developed a clear plan of our expectations for the year 2025 - 2026.

Weekly Expectations in Frogs Class

Each week we expect the children to:

- Read to an adult at least 3 times a week and record this in the reading record.
- Practise phonics sounds at least 3 times a week.
- Play on NUMBOTS at least once a week - log in is in the back of your child's reading record.

Practising reading and playing on NUMBOTS will help develop our children in English and Maths and help them to become lifelong learners, who have the skills knowledge, and curiosity needed to take full advantage of every opportunity in life. Talking about their reading or having discussions about spellings and their meanings or how they can be used in sentences will help ensure our children's language is developed.

Pick and Mix Homework

At Haydon Wick, we also set Pick and Mix homework once a term. We aim to send these out before the holidays or in the first week of the new term to ensure sufficient time to complete it. We believe this homework enriches our children allowing them to gain further knowledge of the topics in school. We feel that the pick and mix style homework is *inclusive* as it allows every child to achieve and demonstrate their own potential and gives children responsibility in choosing the homework style which suits them best.

We expect ALL children to complete **at least one of the activities** from the pick and mix offer. Children are responsible for making sure that the work they complete at home is consistent to the work we see from the child in class. We want everyone to try their best. We hope you all understand our vision for homework. We look forward to seeing wonderful work from the children this year and sharing this with all our parents.

Please bring your completed homework to school on **Monday 23rd March**. Parents are welcome to join in our classroom from 3pm on Wednesday 27th March at 3.30pm to celebrate the children's wonderful home learning.
