

Reading

Please read with your child every day and record this in their reading records.

Weekly phonics

Please practice your child's reading with them using the phonics screener worksheets that are sent home on a Friday. This will help to prepare them for the Phonics Screener check in June.

Term 5

Homework for Year One

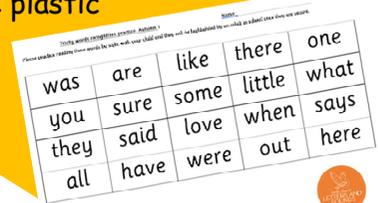

Maths

Log into Numbots and complete the tasks in Story Mode. You can find your log in details at the back of your reading record (TTRS log in).

Tricky words

Please use your tricky word folder to help to practice reading and spelling the words for Year One. These are in the plastic wallets in your child's bookbag.

We have taken a slightly different approach for the children's homework this term, as we would really like them to focus on their phonics and reading ready for the Phonics Screening Check that will take place the week commencing 8th June 2026.

Your child will come home with a phonics worksheet every Friday this term to complete, which is additional to their Little Wandle phonics sheet. They will need to sound talk and blend the words. If they do not spot the correct sound in the word, please support them in identifying and pronouncing the sound correctly. If there are certain sounds that they are struggling with then you can use your child's phonics keyring to help them recognise the sounds.

Thank you for your continued support.

If you have any questions, then please get in touch with your child's teacher.
