

We are looking at numbers (**Year 1 to 50 & Year 2 to 100**) and looking at how many tens and ones different numbers have.

E.g. 76 = 7 tens and 6 ones

Can you choose some numbers and show me how many tens and ones they have?

In PE we are looking at fitness and gymnastics.

Can you use some of the things we have learnt in school to create your own fitness or gymnastics video and share this on Class Dojo.

Essential Homework

To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

Play on Numbots or TT

Docketone

Could you draw / paint a picture of your garden. Can you spot any microhabitats where different creatures like to live?

Can you write about your summer holiday and tell us all about your favourite things you did?

You could write it as a diary, a poster or even make a PowerPoint.

In Science we are going to be looking at humans.

Year 1 - Draw a picture of yourself and label your body parts.

Year 2 - Create a healthy plate of food (think about the food groups.)

Computing - You will need to log on to Purple Mash & look for the 2do.

When you have finished you can hand your work in online.

Please also ALL log into Numbots. We will track your usage on this.

All work to be returned on Monday 13th October and shown to parents on 15th October at 3.30pm.

Squirrel Class

Pick and Mix Homework

Term 1

Remember you MUST do 2/3 of the activities

What can you make from a leaf?

Can you collect a range of different leaves from your garden or the woods and make a collage? You might make a picture, a character or just a pattern.
