

We are looking at multiplication and division. Pick a snack that can be shared (biscuits, grapes, crackers etc.) Count how many pieces there are and share them equally between 3 or 4 people. How many pieces does each person get?

Write it like this:

20 grapes ÷ 4 people = ___ grapes each

In PE, we will be doing yoga.

Mindfulness is extremely important, so for homework, take some photos, write, or draw to show how you relax at home.

Essential Homework

To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

Practise your times tables on TTRS.

Can you make a Celtic necklace or bracelet? You could use beads, pasta or any other materials. Try to make a pattern like the Celts might have worn.

Imagine you are watching a fireworks show. Can you write a short poem or story describing what you see, hear, smell, and feel?

Please send in some pictures of you watching the fireworks for our class display.

In Science, we are going to be learning about Forces.

Can you create a poster showing different types of forces: push, pull, gravity, friction and magnetism? Use labels, drawings and examples from around the house.

Badger Class

Pick and Mix Homework

Term 2

Remember you MUST do 2/3 of the activities

Imagine you are walking through a forest on a crisp autumn day. The leaves are bright orange, red, and yellow. The air smells fresh and cool.

Write a story about your autumn adventure! Use your senses to describe what you see, hear, smell, and feel.

Computing - You will need to log on to Purple Mash & look for the 2dos. This term, it is based on a couple of science activities. You have been set a challenge around forces.

**All work to be returned by Thursday
11th December 2025**
