

Can you create a collage of animals from your local area? Go for a walk in the woods or your local area and look to see what animals you can see. Then, using a variety of materials, create a collage.

In PE, we will be dancing. Make up your own routine and think about jumps, steps, arm movements or even pretend you're an animal or a character. Upload your dance onto Class Dojo.

Essential Homework To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

Practise your times tables on TTRS.

Can you create a poster about Italy? You may want to focus on a particular city or landmark. You can present this on paper, create a model or even create it on the computer.

Badger Class

Pick and Mix Homework

Term 3

Remember you MUST do 2/3 of the activities

Imagine you are Roz, the robot living on the island. Write about one full day in Roz's life. Think about the following: What do you do when you wake up? What sounds and sights do you notice on the island? How do you find food or help your animal friends? How do you keep safe at night?

In English, we are reading the book, 'The Wild Robot'.

Write a short paragraph of what tool Roz could make to survive on the island. You may want to draw a diagram to go with this.

In Science, we are going to be learning about sound.

Can you create your own musical instrument that creates sound? Maybe use a range of materials around the house.

Computing - You will need to log on to Purple Mash & look for the 2dos. This term, it is based on a couple of maths activities. You have been set a challenge around forces.

**All work to be returned by 5th
February 2026**
