

In Science, we are looking at materials.
Can you write a list of all the things that are made of metal in your house and then think of reasons as to why they are made of metal?

e.g. The _____ is made of metal because ...

We have been looking at the 7 continents of the world and the 5 oceans. Can you make your own booklet or poster to tell us information about either all or 1 of these,

Essential Homework To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

To play on TT ROCKSTARS &
NUMBOTS

Year 3 - learn your x3, x4 and x8 times tables.

Last term we looked at Yoga.
Can you create your own yoga video for your family/ the rest of the class to follow.

Squirrel Class

Pick and Mix Homework

Term 3

Remember you only need to choose 2/3 of the activities

Art

This term we will be experimenting with paints and the tools we use to paint with.

Can you create your own abstract painting with paint but NOT brushes? Could you use a feather instead? Or a stick? Be as creative as you can!

In Maths, we are looking at mass, length and capacity. Can you follow a recipe to make something delicious and make sure you measure the ingredients yourself? Make sure you send over pictures of you weighing out the items and reading scales of grams and kilograms.

Please complete the reading comprehension about Antarctica.

Remember to answer in full sentences.

Computing -Create a fact file about Antarctica. Ask your grown ups to help you use a search engine to find out interesting facts.

(You could use Swiggle search engine.)

Fill in the Antarctica 2do in Purple Mash.

All work to be sent in by Monday 9th February so that we can show it to parents on Wednesday 11th at 3.25pm.

Amazing Antarctica

Where Is Antarctica?

Antarctica is the area of land that is the furthest south in the world. It contains the South Pole. It is the coldest place on Earth.

Antarctic Animals

Lots of different animals live in Antarctica.

Emperor penguins are the biggest penguins in the world. They are only found in Antarctica. They keep themselves warm by huddling together in big groups.

Fur seals have thick fur to protect them from the cold. They also have a thick layer of fat under their skin to keep them warm.

Orcas are sometimes called 'killer whales' but they are actually a type of dolphin. They eat seals, penguins, squid, sharks and even whales.

Questions

- Where is Antarctica? Tick one.
 - ☐ It is the furthest north.
 - ☐ It is the furthest south.
 - ☐ It is the furthest east.
- Which of these animals live in Antarctica? Tick two.
 - ☐ emperor penguins
 - ☐ orcas
 - ☐ monkeys
- How do emperor penguins keep themselves warm? Tick one.
 - ☐ They huddle together.
 - ☐ They eat warm meals.
 - ☐ They wear jumpers.
- What do fur seals have a thick layer of under their skin? Tick one.
 - ☐ bones
 - ☐ blood
 - ☐ fat
- What are orcas sometimes called? Tick one.
 - ☐ killer whales
 - ☐ funny whales
 - ☐ water whales

Amazing Antarctica

Where Is Antarctica?

Antarctica is a continent (a large solid area of land). It is the furthest south in the world. It is surrounded by the Southern Ocean.

Antarctica is about 50 times the size of the UK.

Antarctic Animals

Lots of different animals live in Antarctica. They have all developed special features to help them to survive in very cold temperatures.

Emperor penguins are the largest penguins in the world. Emperor penguins have special fat layers in their feet to keep them from freezing. They also have strong claws to help them grip the ice.

Fur seals have thick fur to protect them from the cold. They also have a thick layer of fat, called blubber, under their skin to keep them warm.

Orcas have a large heart which helps to pump lots of warm blood around their body. They also have a thick layer of blubber under their skin to keep them warm.

What Is It Like in Antarctica?

Antarctica is the coldest place on Earth and almost the whole continent is always covered in ice. Because of the extremely cold temperatures, no people live in Antarctica permanently. There are also parts where no rain ever falls.

Questions

1. What is a continent? Tick one.

- ☐ a large country
☐ a large solid area of land
☐ a place covered in ice

2. How big is Antarctica? Tick one.

- ☐ 50 times the size of the UK
☐ 50 times the size of the USA
☐ 2 times the size of the UK

3. Why have the animals in Antarctica developed special features?

4. Draw a line to match up the boxes to complete the sentences.

Lots of different animals

penguins in the world.

There are also parts where

live in Antarctica.

Emperor penguins
are the largest

no rain ever falls.

5. Complete this sentence.

Antarctica is the _____ place on Earth.

sunniest

warmest

coldest
