

We are really thinking about improving our **handwriting** this term and making sure we are using pre cursive or cursive writing. This means our letters either have the lead in and out lines ready to join or that we are starting to join.

See if you can write some sentences in your neatest handwriting using the attached sheet which show how to form each letter.

We are going to be **writing stories**. Can you use our five sentence openers and make up your own silly story about an animal? *E.g. First, Then, Next, After that and Finally.*
