

Can you paint or draw the landscape of the River Cole in Coleshill? The river flows through countryside near Swindon before joining the River Thames. You may want to include trees and plants on the riverbank or wildlife that live nearby. Research first so you are able to see what it looks like.

Can you create a 3D or flat collage of your favourite meal or picnic? You could use magazines, printed images, coloured paper, natural items like rice or pasta. Remember to label each food item.

In English, we are reading the book, 'The Song of a Dolphin Boy.'

Write a non-chronological report about dolphins or pink dolphins. Some of the headings could be Where do they live? Diet Behaviour etc.

Can you create your own multiplication questions and answer them using the formal method? Example:  $24 \times 6 =$

$$\begin{array}{r} 24 \\ \times 6 \\ \hline 144 \\ \hline 2 \end{array}$$

In Science, we are going to be learning about Living Things and Their Habitats.

Can you create an endangered animal poster? You could focus on the Giant panda, blue whale or a tiger. You will need to explain why it is endangered, where it lives and how people can protect it.

## Badger Class

### Pick and Mix Homework

#### Term 5

Remember you MUST do 2/3 of the activities

Computing - You will need to log on to Purple Mash & look for the 2dos. This term, it is based on a couple of times tables.

### Essential Homework

#### To be done EVERY DAY!

Read for 10 minutes

Learn and practise your spellings.

Practise your times tables on TTRS.

Can you carry out a personal fitness challenge? You could measure:

How fast you can run 50 metres, how many star jumps you can do in 1 minute and how far you can jump. Record them and add them to Class Dojo.

**All work to be returned by 12th May 2026**
