

In Science, we are learning about plants. Could you draw pictures and label the different parts of the plants or go on a walk and see how many different types of plants/flowers you can find? How many can you name?

In class, we have spent time talking about mindfulness and also mindfulness doodles. Can you create your own video to play to others to help them stay calm and encourage them to draw to self regulate.

Essential Homework
To be done EVERY DAY!

Read for 10 minutes
Learn and practise your spellings.

Use TT Rockstars and NUMBOTS

We are learning all about India in our lessons.

Can you create a poster, booklet, piece of art or even

Year 1

Pick and Mix Homework

Term 5

Remember you only need to choose 2/3 of the activities

We are learning about addition and subtraction when bridging ten. Please continue to practice recalling number bonds. Can you recite them? Can you go on a number hunt and add/subtract using the numbers you find?

We will also be learning to tell them time (o'clock, quarter past, half past & quarter to) using analogue clocks. Can you keep a diary showing the times you do different

Computing – You will need to log on to Purple Mash & look for the 2do. There are a few different activities on there so pick and choose what you would like to do.

Can you write us a 5 part story? Remember stories need an introduction, build up, problem, resolution and ending. *Maybe it could be based on the book George's Marvellous Medicine.*

Not long ago...
One day...
Suddenly...
Luckily...
Finally....

We will be learning all about Judaism and the celebration of Shabbat. Can you create a model to show how people celebrate or to represent significant items, or create a poster about the celebration?

All work to be returned on Monday 18th May and shown to parents on 20th May from 3.25pm.
