

Can you write a non-chronological report based on the Anglo-Saxons?

You can choose your own headings and you may want to even do your own research.

Can you create a bar chart based on your own real-life data? First, choose something to investigate: favourite ice lolly in your family, number of cars passing your house or daily weather over one week. Then, collect and present it.

## Essential Homework

**To be done EVERY DAY!**

Read for 10 minutes

Learn and practise your spellings.

Pracitse your times tables on TTRS.

Can you build a model Anglo-Saxon house?

You can use recyclable materials or even Lego!

## Badgers Class

### Pick and Mix Homework

#### Term 6

Remember you MUST do 2/3 of the activities

Can you take part in simple athletic-style events at home and try to improve your personal bests over time? Events: skipping, standing long jump, sprint, ball throw or a balance challenge? Create a table with your findings.

In English, we are reading the book, 'The Land of Roar.'

Can you invent your own magical world? You will need a name for your world, a map and describe the magical creatures and characters.

In Science, we are going to be learning about Animals including Humans.

Can you create a poster to show how humans stay healthy? Remember to include a balanced diet, exercise, sleep and hygiene.

Computing - You will need to log on to Purple Mash & look for the 2dos. This term, it is based on a couple of times tables.

**All work to be returned by 8th July 2026**
