September 2025

Summary Information					
Academic Year	2025-2026	Total PE and Sport Premium	£17,500	Date of most recent PE&SP Review	09/25
Total number of pupils	170	Number of pupils on roll	170	Date for next internal review of this strategy	09/26
<p>PE and Sport Premium</p> <p>Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:</p> <ul style="list-style-type: none"> • develop or add to the PE and sport activities that your school already offers • make improvements now that will benefit pupils joining the school in future years <p>For example, you can use your funding to:</p> <ol style="list-style-type: none"> 1. hire qualified sports coaches to work with teachers 2. provide existing staff with training or resources to help them teach PE and sport more effectively 3. introduce new sports or activities and encourage more pupils to take up sport 4. support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs 5. run sport competitions 6. increase pupils' participation in the School Games 7. run sports activities with other schools <p>School Context:</p> <p>The sports coach continues to have a positive impact on the Physical Education within the school. Although our designated sports coach was on maternity leave from September 2024-May 2025, the PE curriculum was delivered by class teachers through the PE passport app linked to the implementation plan. The success of this period is further evidence of the impact of continuous CPD and staff development through the use of our sports premium. The pupils are continuing to develop existing basic skills and these standards have been maintained during the period of time our sports coach was not at school. We have maintained the Schools Games Gold award for the last three years and we be focusing on achieving Platinum this school year. Our sports coach continues to has work closely with the PE subject leader to create a clear vision of physical education across the school, as well as a concise view of where this subject is heading over the next twelve months including participating in more Rochdale Association competitions, encouraging more children to take part in out of school clubs and the reintroduction of Change4Life club to target those children who are reluctant to participate in physical education.</p> <p>Desired Outcomes:</p> <ol style="list-style-type: none"> 1. To continue to enhance the quality and quantity of extra-curricular sports provision across the school, including the attendance of SEN and pupil premium pupils, with an aim of 70% of all pupils engaging in at least one club throughout the year. 2. To maintain the school's success at inter school tournaments and sports competitions and give an opportunity to a wider range of children through the use of friendly competitions. Aim to win at least three competitions. 3. Increase pupil self-esteem, pride in the school and love for physical education and sport inside and outside of the school setting. 4. Continue to develop the Sports Leaders programme in school. 					

Desired Outcomes	Chosen action / approach	Cost:	School Lead	Success Criteria
1,2 & 3	To employ a Sport Coach to deliver high quality extra-curricular sports provision across the school	£8500	MC / LW	Continued increase in provision for and take up of extra-curricular activities, aim for 70% of all pupils.
4.	Sport Coach to work with PE subject lead & staff to implement assessment arrangements using online digital portal (PE Passport) to measure PE attainment and support CPD for staff.	SC - £3500 PE Passport: £500	LW/EH	Comprehensive assessment arrangements established across all year groups and understood/applied by staff. Assessment data/profile across the school reflects the good progress pupils make across the curriculum.
3.	Organise another high-profile school sport event across all year groups using local arena to inspire and engage pupils.	£2000	EH/LW	Event is well attended by parents and surveys of pupil/parents evidence the desired outcomes. Parents can see the increased profile of sport across the school.
3.	Continue to promote the school Sports Leader Programme by implementing a qualification for pupils.	£200	EH/LW	Pupils will gain the 'Heap Bridge Sports Leader Award' in leadership skills. Sports Leaders sessions for KS1 and KS2 run throughout the school year at lunchtimes.
1, 3 & 4	To provide extra curricular activities during the lunch period where a great number of pupils can access activities and promote pupil aspirations to aspire to sports leader roles.	£4000	LW/EH	All pupils access lunch time sessions across each term. Applications in Year 6 remain high for role of sports leader – showing high status and desirability of role/subject.
TOTAL FUNDING ALLOCATED:		£18,700		

Monitoring

The impact of this funding will be measured through:

- An improvement in the quality of teaching in Physical Education.
- Monitoring of the curriculum and extra-curricular activities/tournaments.
- Pupil participation in extra-curricular events.
- Teacher perception measuring the interest of children in different areas of the PE curriculum.
- Pupil perception questionnaires measuring the interest of children in different areas of the PE curriculum
