Home Learning

You will receive a curriculum leaflet and home learning sheet with ideas of learning the children could do at home. Please only use this as a guide as I know the children will have lots of other imaginative ideas!

We love seeing all of the home learning the children get up to and the children really enjoy sharing their experiences with their peers. If you would prefer not to send learning into school, please email me a picture of the learning or places you have been and we can continue to share what the children have been up to.

Home Learning Ideas

Autumn 1

For our first History learning journey, we will be travelling back in time to 1666 to experience the Great Fire of London. In DT we will be learning about wheels and axles, in order to become the designers and builders of a new fire engine. Home Learning is encouraged so that your child can share with you some of the knowledge and skills learnt in school as well as allow them to learn more and follow their own areas of interest. It can also help your child to become more involved in the learning and become more independent with their thinking. If you would like some ideas please use the list below, but these are merely suggestions, and it would be great to see what the children think of themselves.

We can't wait to see what the children produce this half term...

Home Learning Ideas

- Make a moving car using junk modelling materials. What shapes will you need for different parts of the car? Which materials will work best?
- Design a new fire engine. Become a designer for a new fire engine. Draw a
 picture and label the important parts.
- Make a model of a Tudor house from 1666. Investigate how the homes were designed and made. What are the similarities and differences to modern houses?
- Write a fact-file on the Great Fire of London. Remember to include pictures and exciting facts.
- Many artists painted the Great Fire of London. Create your own artwork of the Great Fire. Which part of London will you paint? You could paint Pudding Lane, the River Thames, St Paul's Cathedral or other places that the fire spread to.
- Write an information leaflet on fire safety. How can you prevent a fire? What should you do if there is a fire?

English-Reading

The children will read as a class at least three times a week. As the children's word reading becomes more fluent, the focus becomes more on their understanding of what they have read.

Vocabulary Find and explain the meaning of words in context

\$

- What do the words and suggest about the character, mood and setting?
- What word tells you that
- Which key word tells you about the character/setting/mood?
- Find one word in the text that means?
- Find and highlight the word that is closest in meaning to.....?
- Find a word or phrase which shows/suggests that.....

Infer

Make and justify inferences using evidence from the text

- Find and copy a group of words that show that.....
- How do these words make the reader feel?
- How does this paragraph suggest this?
- How do the descriptions of show that they are?
- How can you tell that...?
- What impression do you get of from these paragraphs?
- What voice might these characters use?
- What was

Predict

Predict will happen based on the details given and implied

- From the cover what do you think this book is going to be about?
- What is happening now? What happened before this?
- What do you think is going to happen after?
- What does this paragraph suggest will happen next?
- What makes you think this?
- Do you think the choice of setting will influence how the plot develops?
- Do you thinkwill happen? Yes, no or

Explain

Explain how content is related and contributes to meaning as a whole Explain how meaning is advanced through language choice Explain themes/patterns

- Why is the text arranged in this way?
- What structures has the author used?
- What is the purpose of this text feature?
- Is the use of effective?
- The mood of the character changes throughout the text. Find and copy the phrases that show this.
- What is the author's point of view?
- What affect does have on the audience?
- How does the author engage the reader here?
- Which words and phrases did effectively?
- Which section was the

Retrieve

Retrieve and record information and identify key details from fiction and non-fiction

- How would you describe this story/text?
- What genre is it? How do you know?
- How did....?
- How often....?
- Who had....?
- Who is...?
- Who did...?What happened
- to...?
- What does do?
- How..... is?
- What can you learn from in this section?
- Give one example of....
- The story is told from whose perspective?

Summarise

Summarise the main ideas from more than one paragraph

- Can you number these events 1-5 in the order that they happened in the story?
- What happened after....?
- What was the first thing that happened in the story?
- In what order do these chapter headings come in the story?
- Can you summarise in a sentence the opening/middle/end of the story?

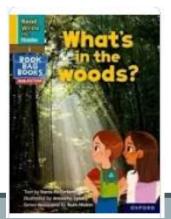

Books Going Home

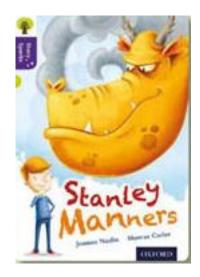

Learn to Read Book

Your child will read this confidently and it matches the phonics they have been learning in school that week

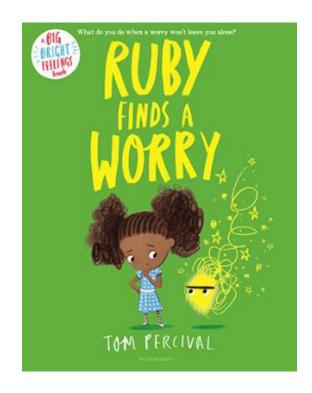

Book Bag Book

Matches your child's current phonics learning and knowledge of red words but gives your child the opportunity to read these in a book they haven't seen before.

When children have completed **Read**, **Write Inc**, they will bring home a <u>Learn to Read</u> book that is colour banded White or Lime. We do also have banded books right the way through KS2 now so it may be that they may also begin reading some of the Brown books too.

Love to Read Book

A book chosen by your child from the library to share together at home.

Learn to Read Books

These are the books we would love to see recorded in your reading record <u>at least x3 per</u> week.

You can of course log other reads from your own selection and library books too!

Reading Records

You don't need to write too much!

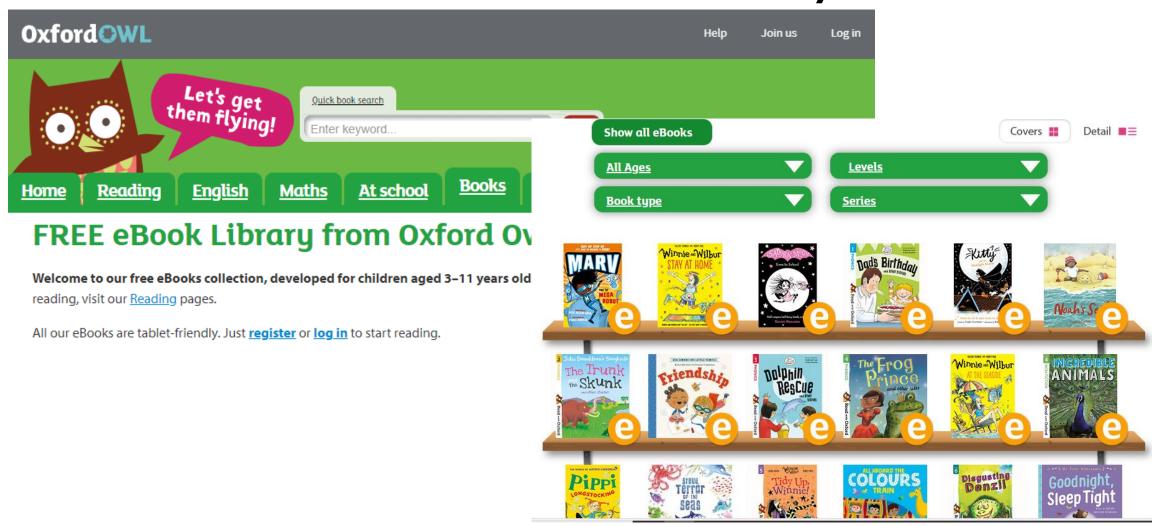

Examples:

*A signature and tick three times stating you have simply read the book is great!

- "X read most green words independently but struggled with sh sound so we worked on this together."
- "X read all of the speedy green words in under 1 minute. We played games to beat her time."
- "After the third read, X was confident on all sounds apart from nk."

Reading with your child is one of the most important things you can do to help at home. We will keep a weekly check of who is reading at least x3 times per week, please do let us know if you want any further support. We are always happy to help!

Free Oxford eBook Library

Free eBook library | Oxford Owl from Oxford University Press

Henbury View First School Spelling Logbook

Dear Parents,

Each week your child will receive a sheet that details the focus sound/s or spelling rule that has been focused on that week in school. Please use the variety of games and activities below to help your child practise these important spellings.

- Review begin spelling sessions reviewing words or rules from previous weeks. Mark together, highlighting parts that may be incorrect. Can you come up with your own rule or rhyme to help you remember the tricky part together?
- Say the focus words in funny voices changing the parts that are tricky to remember
- Look, say, cover, write and check mark together
- Dictation Say the focus word within a sentence your child writes down, focus marking on the target word
- Four in a row game a mini spelling quiz of 4 words targeting the focus sound or rule. Mark together and see if they can get four in a row!
- Mark it You write down the spelling correctly or incorrectly then ask your child to mark it for you. Did they spot your mistakes?

We love to see your work, please use this book to record any spelling home learning.

Log Books

Red Words

| Red Ditty Level | | | | | | | | | |
|-----------------|-------------|---------|--------|------------|-------|--------|---------|--------|--|
| put | the | - 1 | no | of | my | for | he | | |
| | Green Level | | | | | | | | |
| your | said | you | be | are | | | | | |
| | | | | Purple Lev | rel | | | | |
| to | me | go | baby | put(s) | your | | | | |
| | | | | Pink Leve | ıl | | | | |
| ľve | like | all | we | want | her | call | she | ľm | |
| something | into | SO | | | | | | | |
| | | | | Orange Le | vel | | | | |
| what | do | today | they | old | 111 | was | | | |
| | | | | Yellow Lev | /el | | | | |
| some | saw | watch | school | small | their | who | tall | one | |
| l've | baby | fall | any | where | were | wall | there | | |
| | | | | Blue Leve | el | | | | |
| does | other | two | could | ball | would | water | wash | anyone | |
| over | wasn't | through | once | brother | whole | people | | | |
| Grey Level | | | | | | | | | |
| should | were | there | call | want | come | one | through | many | |
| could | are | other | was | two | who | VOU | said | VOUR | |
| what | robool | mother | + | the | | | | | |

what school mother to the water great brother above when the what small any here s

Another important element to our spelling work is learning to read and spell common exception or red words. These words may not follow the focus sound and spelling rules we have been working on and we need to work hard to remember them. You can use all of the same strategies on the previous sheet to help you rehearse these words.

Top tip: Circle the part of the word that doesn't sound right, discuss how and why it is different and come up with strategies together to remember it. Mnemonics is a great strategy for words like these.

e.g. Said - silly ants in dresses

Please remember to bring book bags into school every day with these key items in

There are routines and systems in place that ensures your child will receive all of the books they need as well as new log book slips for the week.

It is difficult for us to manage this if book bags are not in school every day with all of these items.

Year 2 Recommended Reads

Reading Awards

Please do not feel you need to buy the books on this list, you can borrow many of these from school using our class book swap.

We will check the lists once a term to see who needs to be celebrated with a certificate in assembly. Please bring in your ticked sheets on these dates:

Monday 9th December 2024

Monday 24th March 2025

Monday 14th July 2025 (We will remind you of these!)

English-Writing

Over the year, we will ensure that the children can experience and write both fiction and non-fiction, and different writing styles within these (e.g. letter writing, instructions, recounts, etc.). Our work during our reading sessions will support the writing, both through looking at structure and vocabulary. The children will have a clear purpose and audience for each piece of writing.

For writing, we follow the Reading into Writing process. This ensures that children are fully immersed in the genre and have the opportunity to pick apart excellent examples of the genre before writing their own pieces. The children create a toolkit if the skills they need which acts as a success criteria for their own writing.

Punctuation and grammar skills will continue to be taught throughout the year. We will start by revisiting and securing the independent application of the skills from Year 1 before moving on the Year 2 curriculum. Here are the Year 2 punctuation and grammar objectives that we will focus on this year:

When reading at home, please pick out these skills and if the children choose to write, please edit with the children to include these accurately.

Transcription

KPI

Form capital letters and digits of the correct size, orientation, and relationship to one another and to lower case letters

Use spacing between words that reflects the size of the letters

Segment spoken words in phonemes and represent these by graphemes, spelling many of these words correctly and making phonetically plausible attempts at others

Spell many common exception words
(Evidence of using red word mat to spell words
that correlate to the group colour they are on.)
Add suffixes to spell most words correctly in their

writing (e.g. -ment, -ness, -ful, -less, -ly)

Use the diagonal and horizontal strokes needed to join some letters

Composition

Write simple, coherent narratives about personal experiences and those of others (real and fictional)

Use past and present tense correctly and consistently

Grammar and Punctuation

Demarcate most sentences in their writing with capital letters and full stops, and use question marks when required

Use co-ordination (e.g. and, or, but)

Use subordination (e.g. when ,if, that, because) to join clauses

English-Spelling Logs

Spelling Logs

The words sent home in the spelling logs give the children a chance to practice the phoneme or spelling rule that we have been focusing on during the week in our phonics sessions. Please ensure the spelling logs come into school on a **Friday** in the bookbags so the new spellings can be stuck in. Please don't feel like you must practice the words in the book- if the children would prefer to practice them in a different way then that is fine. We would just ask that you comment in the spelling log so we can see what they have done

Henbury View First School Spelling Logbook

Dear Parent

Each week your child will receive a sheet that details the focus sound/s or spelling rule that has been focused on that week in school. Please use the variety of games and activities below to help your child practise these important spellings.

- Review begin spelling sessions reviewing words or rules from previous weeks. Mark together, highlighting parts that may be incorrect. Can you come up with your own rule or rhyme to help you remember the tricky part together?
- Say the focus words in funny voices changing the parts that are tricky to remember
- Look, say, cover, write and check mark together
- Dictation Say the focus word within a sentence your child writes down, focus marking on the target word
- Four in a row game a mini spelling quiz of 4 words targeting the focus sound or rule. Mark together and see if they can get four in a rowl
- Mark it You write down the spelling correctly or incorrectly then ask your child to mark it for you. Did they spot your mistakes?

We love to see your work, please use this book to record any spelling home learning

English-Spelling

Red words

Red Words, also known as common exception words, are words that the children cannot phonetically spell. There is a copy of these words stuck in the spelling log and the reading record. The children are given time weekly to practice these words at school and please practice them at home as well in whichever way you would like to

Red Words

Maths

In Maths, we follow this daily lesson structure:

This allows children to constantly consolidate their number facts, which supports them when approaching new concepts and more complex problems.

We will primarily use NCETM as our guide for teaching the main activities. This also provides us with high-quality pictorial representations of the mathematical concepts we are teaching (for Place Value, Addition and Subtraction, Multiplication and Division and Fractions). For other areas of the curriculum and to supplement our learning, we will use White Rose

resources (for measures, statistics, geometry).

Maths

We will continue to use concrete resources and pictorial representations to help our learning journey, ensuring the children develop conceptual understanding of the concepts that we look at. The children will be given time to 'experience' the maths by using hands on thinking before moving through the learning journey. At all stages the children will be given opportunities to problem solve and make connections between different areas of maths. Maths can often be very abstract, so we aim to ensure that the children notice the real world applications of maths and see the worth in what they are learning about.

Maths – problem solving

A new addition to our maths curriculum this year will be dedicated time to teaching problem solving skills and strategies.

Look Back

Problem solving and reasoning are not just tasks to complete, it's a way of working and thinking mathematically:

- Being able to draw on a range of strategies
- Being systematic and methodical
- Knowing how to approach a problem and having the confidence to try
- Perseverance and patience
- Grappling being flexible with their approach
- Applying a range of knowledge and knowing what knowledge could apply
- Justifying and discussing their ideas

Strategies

- Trial and Improvement (Aut 1)
- Working systematically
- Working backwards
- Visualising and manipulating
- Reasoning and convincing
- Conjecturing and generalizing
- Pattern spotting

Maths – mastering number

In Year 1 and Year 2, we will also be using the Mastering Number programme to supplement our learning.

This programme aims to to secure firm foundations in the development of good number sense for all children from Reception through to Year 1 and Year 2. The aim over time is that children will leave KS1 with fluency in calculation and a confidence and flexibility with number.

The programme utilises Number Blocks as a high-quality support for learning mathematics.

Numberblocks support materials

Materials to support Ear Years and Year 1 teacher

Numberblocks at home

Resources to accompany the CBeebies Numberblocks series, designed for parents to use at home with children

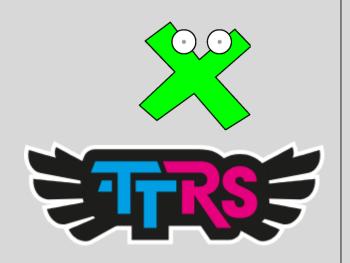

Maths-Times Tables

Times tables are used in lots of areas of mathematics, for example fractions, area, perimeter, money as well as multiplication and division calculations. Fluency and quick recall are also essential for multi-step problem solving and real word applications.

We are going to teach times tables for 1 lesson per week as well as during daily starters. This lesson will involve a chance for children to be tested on their steps, independent practice of their next step and teacher led teaching of the times table.

Maths Rockstars

- Children assessed at the start of each year to gain a baseline
- Have a step at a time to achieve- to move up, they must be able to recall previous 2 steps and complete new step within 5 minutes
- Children to have pupil log in book bags to show progress
- Please ensure Maths Rockstars logs are in bookbags on a

| | | and giving change | | | |

PE

- Our PE sessions are scheduled for **Tuesday** and **Friday**. Tuesday's session will be an indoor lesson and on Friday we will be outside (weather dependent!)
- Please ensure that PE kits come into school on a Monday and we will send them home on a Friday to be washed. Please also check that all PE kit is clearly named and that the children have some warmer clothes (e.g. joggers, PE jumper) for when the weather starts to get colder

Things to Remember

Bookbags and Reading Records

Please ensure bookbags come into school **everyday**. This is so we can record any reading we do or give out any letters. In KS1, the children will take home 3 books. One to support their phonics learning, one to read as a shared reader and one as a personal choice from the library. We will be checking reading records every

Friday to acknowledge any comments you

Accord At the state of the stat

have made

Please remember to put names on any uniform, PE kit or personal belongings.

Spelling Logs

Please ensure spelling logs come into school in the bookbag on a **Friday** so the new spellings can be stuck in

We love sharing home learning at school so please bring this in whenever you wish PE Kits

PE kits need to come in on a **Monday** and will be sent home every **Friday**

Snack

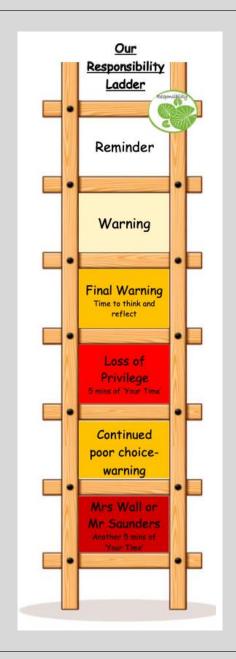

In KS1, the children are provided fruit at breaktime. If you wish to, you may send your child to school with a snack. We ask if this could still be a healthy choice e.g. fruit or plain biscuits.

Responsibility Ladder and 'Your Time'

We continue to use our responsibility ladder as part of our behaviour policy. This ensures that there is consistency across classrooms and members of staff. Rewards and praise are used across the school to celebrate successes and positive behaviour and learning choices (e.g. team points, stickers, etc.)

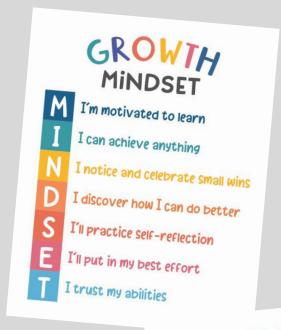

'Your Time' is a 30-minute session on a Friday afternoon, where children get to choose an activity that they would like to do. This allows them to be individuals, work with staff and children from across the school and follow areas of interest. Each child starts each week with 30-minutes of 'Your Time', and minutes are deducted for negative behaviour choices (see ladder). This ensures that children that always make the correct choices, whether that be inside or outside of the classroom, are celebrated and rewarded for their behaviour.

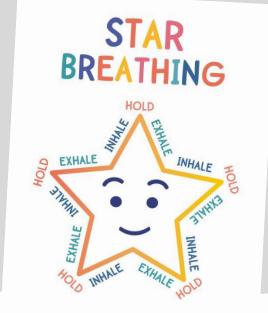

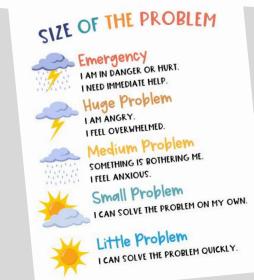

Self-Regulation
