Living life to the full

Henley-in-Arden

C of E Primary School

Vision Statement:

- 1.1 Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”.
- 1.2 According to the Equality Act 2010 a person has a disability if:
 - (a) He or she has a physical or mental impairment, and
 - (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.
- 1.3 The Accessibility Plan is listed as a statutory document of the Department for Education’s guidance on statutory policies for schools. The plan must be reviewed every three years and approved by the Governing Body. The review process can be delegated to a committee of the Governing Body, an individual or the Head. At Henley in Arden Church of England Primary School the Plan will be monitored by the Executive Head Teacher and evaluated by the relevant Governors’ committee. The current plan will be appended to this document.

2 Aims and Objectives

- 2.1 At Henley in Arden Church of England Primary School we are committed to working together to provide an inspirational and exciting learning environment where all children can develop an enthusiasm for life-long learning. We believe that children should feel happy, safe and valued so that they gain a respectful, caring attitude towards each other and the environment both locally and globally.
- 2.2 The Accessibility Plan is structured to complement and support the school’s Equality Objectives which can be found within the school’s Equality and Diversity Policy, a review of these objectives and will be published on the school website annually.
- 2.3 Henley in Arden Church of England Primary School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.
- 2.4 The Henley in Arden Church of England Primary School Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school within a given time frame and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. The Accessibility Plan contains relevant and timely actions to:-
 - Increase access to the curriculum for pupils with a disability, expanding the **curriculum** as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of their duties under the Equalities Act 2010); this covers teaching and learning and the wider curriculum of the school such as participation in after-school

clubs, leisure and cultural activities or schools visits – it also covers the provision of specialist or **equipment**, which may assist these pupils in accessing the curriculum within a reasonable timeframe;

- Improve and maintain access to the **physical environment** of the school, adding specialist facilities as necessary – this covers improvements to the physical environment of the school and physical aids to access education within a reasonable time frame; (Tillman Lodge added to the school's buildings in October 2021 – full disabled access)
- Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable time frame.

- 2.6 The Henley in Arden Church of England Primary School Accessibility Plan relates to the key aspects of physical environment, curriculum and written information.
- 2.7 Whole school training will recognise the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.
- 2.8 This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:
- Equality and Diversity Policy
 - Health & Safety Policy
 - Special Educational Needs and Disability Policy
 - Behaviour Management Policy
- 2.9 The Accessibility Plan for physical accessibility relates to the Access Audit of the School, which remains the responsibility of the governing body. It may not be feasible to undertake all of the works during the life of this accessibility plan and therefore some items will roll forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covering this plan in order to inform the development of a new Accessibility Plan for the ongoing period.
- 2.10 Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference for all governors' committees will include the need to consider Equality and Diversity issues as required by the Equality Act 2010.
- 2.11 The Accessibility Plan will be published on the school website.
