

Message from the Headteacher

Dear Parents and Carers,

Thank you for taking time to read the final newsletter for this academic year. This has been a time of reflection and goodbyes. It doesn't seem that long ago that we were collecting food for the harvest festival, eating breakfast with Santa or running around the playground searching for eggs during the Easter egg hunt.

The start of 2025 brought with it 'the flood' which resulted in a 1 day school closure and damage to the lower building in school. Year 3 and 4 were quickly moved into a new classroom and have settled well since. Many of you will have noticed that work has already started renovating the 3 classrooms that were damaged and this will be completed during the summer break. We look forward to reopening this part of the school in September. We are also having our driveway re-tarmacked at the start of the summer holiday.

The past 2 weeks have been full of excitement. Year 5 and 6's production of 'I'm an 11 year old get me out of here' was superb and included over an hour of songs, toilet humour and parent participation. Our end of year service at St Johns was a time of reflection, with Rev Cath leading our worship. On Thursday of this week we congratulated many children across the school for their achievements with attendance, academics and values. We also presented each of our Year 6 students with a trophy to recognise their achievements during their time with us.

I would like to say a huge thank you for the support you, as parents and carers, have provided the school over the past year. Many of you have volunteered, attended class workshops, come on school trips and supported your children during performances throughout the year.

Finally may I wish all our of Year 6 students the very best as they embark on the next step of their education. I know for some of our families this is also the end of your time at Henley Primary as all of your children have now left our school. I would like to wish you all the very best for the future. Please keep in touch to let us know how your children are getting on.

I hope you all have a wonderful summer holiday and we look forward to welcoming the children back on Tuesday 2nd September.

Kate Adcock

Diary Dates can be found on the school website using this link:
